FORWARD LOOKING STATEMENTS

Certain statements in this annual report concerning our future growth prospects are forward looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. We have tried wherever possible to identify such statements by using words such as anticipate, estimate, expect, project, intend, plan, believe and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward looking statements will be realized, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialize, or should underlying assumptions prove inaccurate, our actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind.

We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

ENGINEERING EXCELLENCE

There are actions, and then there are traits, actions may fade, but the traits stay longer, impact deeper. Nations, communities, organizations and individuals have long proved to excel on innate strong qualities. The same applies to us. We had squarely summarized 'Engineering Excellence' as the way of our being. 'Engineering Excellence' is a defining feature of our eventful journey till date.

During FY17, the global and Indian economic environments were encouraging but below expectations. At Roto Pumps, our revenues have been almost same while the profitability had improved mainly on account of lower material consumption due the favorable product mix and prudent management and control of operating expenses.

Over the years, we had been investing our resources, energy and time in pursuit of engineering excellence across functions.. During FY16, we continued to engineer and nurture excellence. We introduced new LM pump range and delivered customized solution for one of our breweries industry clients. During FY 17, we have been stabilizing the operation of subsidiary companies in US and South Africa. In our quest for strengthening our global presence led us to make structural changes in the overseas operation.

Our culture to excel across functions has continued in FY17 as well, and we aim to deliver excellence where it matters the most - our customers.

We believe that our investments in nurturing excellence today are going to translate into a better future for us, tomorrow.

QUALITY EXCELLENCE TO DELIVER CUSTOMIZED SOLUTIONS

At Roto Pumps, delivering perfect customized solutions to our clients is our priority. For us, engineering solution implies a rigorous and consistent pursuit of excellence. Roto Pumps has been focused on harnessing R&D and maintaining high-quality standards as integral components of its operations.

Quality Strengths

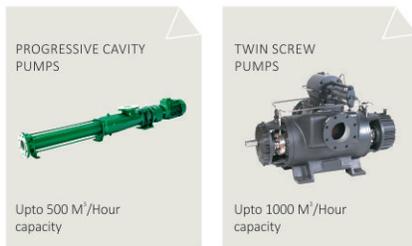

Starting with the pioneering technology of creating intricate rotor profiling in 1968, we had set the course on track for excelling in our engineering endeavors. Since then, we have relentlessly pursued quality as our single most important differentiator. We built unique in-house rubber processing technology for harnessing both metal and rubber. We boast of an in-house R&D and testing facilities that give us complete control of quality. Our endeavor is to get the R&D Centre recognized from the Department of Scientific and Industrial Research, Ministry of Science & Technology, Government of India. We have bagged some class-leading certifications that only add to our credentials. Our quality excellence is testified by the trust of our revered clientele. Many of our clients' market standing are synonymous with quality and that, in turn, shows their unflinching trust in Roto Pumps as pumping partners in their critical projects.

- ◆ Roto Pumps is certified for ISO 9001, ISO 14001, OHSAS 18001
- ◆ In-house R&D Facility
- ◆ State-of-the-art SCADA based testing facility with flow capacity 1500 M³ / Hour
- ◆ Expertise in metal component - rotor and rubber component- stator

MANUFACTURING EXCELLENCE THAT TESTIFIES QUALITY

Manufacturing Strengths

What we create at our design center, what we improve in our R&D labs and what we assure in our quality checks must translate into the actual customer solution. It is critical to replicate the highest standards of quality in equal measures when it comes to the finished products. At Roto Pumps, we are committed to all of these. Over the years, with a single-minded proposition to create customer success, we have built strong manufacturing capabilities that are also excellent on quality standards. As Roto Pumps works on customized solutions rather than providing products and services, the Company has been part of some large-scale, critical projects of its clients.

The various certifications for our manufacturing facilities are another testimony to our strong manufacturing capabilities. Today, Roto Pumps provide mission critical comprehensive solutions to almost every industry - oil & gas, paper & pulp, distilleries & breweries, construction, navy and coast guard to name a few. With the help of our excellent manufacturing facilities, we have been able to serve clients across the Globe.

The Company is installing automatic paint shop and adding new Computer Numerical Control machines to strengthen its manufacturing capabilities.

MARKET EXCELLENCE TO EXPAND REACH

GLOBAL NETWORK

INDIA NETWORK

We have the best-in-class quality standards and an impeccable production infrastructure that helped us build a strong market network. Our vision was to turn our quality and manufacturing excellence into providing customized solutions for a broad client base. With these thoughts, we embarked on our journey to increase the reach of Roto products to a vast market in India and abroad.

Today, we have come a long way. We sell more than 60% of our products to many developed and developing country markets such as US, UK, Germany, New Zealand, Australia to name a few. In India, our clientele includes some of the most reputed companies across sectors such as Vedanta, Reliance, NTPC, ONGC, Indian Oil Corporation, Indian Navy & Coast Guard, Defence Machinery Development Establishment, Nuclear Power Corporation Ltd and Engineers India Ltd among others. During all these years, our consistent investments in building the brand Roto has helped the Company to create a distinct space in its customers' mind.

Market Strengths

- Over 60% exports
- Overseas Branch Offices

- Head Office, 03 Regional Offices, 03 Branch offices in India

ROTO PRODUCTS ENGINEERED TO EXCEL

Progressive Cavity Pumps

Roto Pump's products offer a vast range of highly engineered customized pumping solutions.

Progressive Cavity Pumps

Progressive Cavity Pumps have their application in pumping and metering of fluids and highly viscous, abrasive or shear sensitive materials.

Progressive Cavity Pumps work on positive movement of fluids through sealed cavities between a helical metallic rotor and a helical elastometric stator. As cavities move between the stator and rotor, fluids move from suction point to delivery point.

Progressive Cavity Pumps product capacity goes upto 500 M³/Hour

Twin Screw Pumps

Twin Screw Pumps

Twin Screw Pumps are used to pump clean, lubricating, non-lubricating and aggressive liquids. In Twin Screw Pumps, two screw spindles move within a pump casing. Intermeshing rotating screws in the pump casing and liner form transfer chambers, that transfer the fluid axially from the extreme ends to the center of the casing or vice-versa

Twin Screw Pumps product capacity ranges goes upto 1000 M³/Hour

MESSAGE TO THE SHAREHOLDERS

Dear Shareholders,

It gives me immense pleasure to address you all as we conclude the busy financial year 2016-17 of your Company.

In the last few months, the economies across the globe were stable witnessing growth. The World Economy recorded 3.4% growth rate for the calendar year 2016 compared 3.1% for 2015 as per the International Monetary Fund estimates. The forecast for the following year is positive at about 3.5%. The vulnerability of geopolitical environment, China's decelerating growth rate and overall slackness in Emerging Markets and Developing Economies are being watched cautiously. The Indian economy, on the other hand, grew at 7.1% as per the Central Statistical Office. Although, the sentiments are improving, but there are still certain sectors which are yet to get counted in this growth. With the government's growth-inducing policies and program implementation, the Indian economy is likely to keep its growth momentum intact.

Roto Pumps is part of USD 47 billion global pumps industry as on 2014. The industry is estimated to reach USD 56 billion by 2017 as per the Indian Pumps and Valves report. The pumps' industry serves many industries, and a few of these are a critical part of economy's core infrastructure such as oil & gas, power, mining, paper & pulp and food processing to name a few. The Indian Pumps Industry is pegged at around ₹ 8,500 crore as on 2014 and is expected to touch ₹ 11,000 crore by 2017. India's export from the pumps industry is estimated to be ₹ 1,280 crore and is expected to reach ₹ 1,550 crore by 2017. These numbers indicate strong growth potential for the industry both in domestic as well as exports business.

For Roto Pumps, FY17 was not a great year in terms of performance. Our sales revenues were flat compared to the previous year, growing from ₹ 94.6 crore in FY16 to Rs 94.5 crore in FY17. However, our net profits increased from Rs 4.3 crore in FY16 to ₹ 6.6 crore in FY17. We are of the view that we will be able to make a comeback soon given the growth projections for the economy and our industry. We have, in the recent past, invested in various forward-looking avenues for the Company's growth wherein 'Engineering Excellence' summarizes the Company's thought-process.

We believe that engineering and nurturing excellence across the organization is going to be our real differentiator to sustain and grow in the long term.

I would like to thank our shareholders, investors, customers and suppliers for their trust and support. I would also like to thank our splendid team for keeping us in good stead all through.

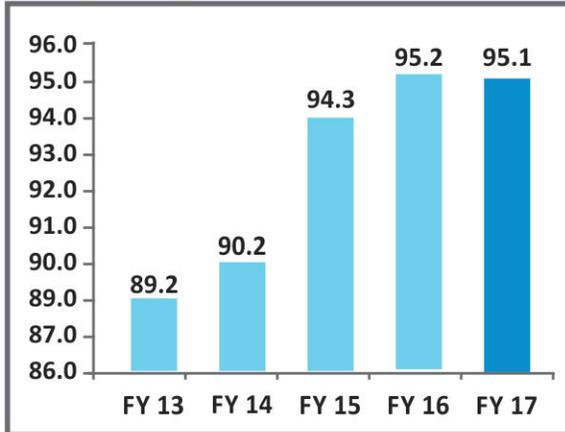

Best regards,

Harish Chandra Gupta

MANAGEMENT DISCUSSION AND ANALYSIS

Economic overview

Global economy

Global economic activity is picking up with a long awaited cyclical recovery in investment, manufacturing, and trade. World growth is expected to rise from 3.1 percent in 2016 to 3.5 percent in 2017. Stronger activity and expectations of more robust global demand, coupled with agreed restrictions on oil supply, have helped commodity prices recover from their troughs in early 2016. Higher commodity prices have provided some relief to commodity exporters and helped lift global headline inflation and reduce deflationary pressures. Financial markets are buoyant and expect continued policy support in China and fiscal expansion and deregulation in the United States. If confidence and market sentiment remain strong, short-term growth could indeed surprise on the upside.

Source: *International Monetary Fund, April 2017*

These positive developments should not distract from binding structural impediments to a stronger recovery and a balance of risks that remains tilted to the downside, especially over the medium term. Structural problems—such as low productivity growth and high income inequality are likely to persist. Inward-looking policies threaten global economic integration and the cooperative global economic order, which have served the world economy, especially emerging market and developing economies, well. A faster than expected pace of interest rate hikes in the United States could tighten financial conditions elsewhere, with potential further U.S. dollar appreciation straining emerging market economies with exchange rate pegs to the dollar or with material balance sheet mismatches. More generally, a reversal in market sentiment and confidence could tighten financial conditions and exacerbate existing vulnerabilities in a number of emerging market economies, including China—which faces the daunting challenge of reducing its reliance on credit growth. A dilution of financial regulation may lead to stronger near-term growth but may imperil global financial stability and raise the risk of costly financial crisis down the road. In addition, the threat of deepening geopolitical tensions persists, especially in the Middle East and North Africa. Against this backdrop, economic policies have an important role to play in staving off downside risks and securing the recovery, as stressed in previous WEOs.

Indian economy

Indian Economy is the sixth largest economy in the World measured by the GDP and the third largest by purchasing power

parity. The Country is classified as newly industrialized country and is one of the G20 major economies. India's economy became the world's fastest growing economy in the last quarter of 2014 surpassing China.

The long-term growth prospective of the Indian economy is positive due to its young population, corresponding low dependency ratio, healthy savings and investment rates and increasing integration into the global economy. The Indian economy has the potential to become the world's 3rd-largest economy by the next decade and one of the two largest economies by mid-century. The International Monetary Fund (IMF) described the Indian economy as the "bright spot" in the global landscape. India topped the World Bank's growth outlook for the first time in fiscal year 2015–16, during which the economy grew 7.6%. Growth is expected to have declined slightly to 7.1% for the 2016–17. According to the IMF, India's growth is expected to rebound to 7.2% in the year 2017–18.

Industry overview

Roto Pumps is a part of USD 47 billion global pumps industry as on 2014. The Industry is estimated to reach USD 56 billion by 2017 as per the Indian Pumps and Valves Report. The pumps industry serves many industries, and a few of these are a critical part of economy's core infrastructure such as oil and gas, power, mining, paper and pulp and food processing to name of few and contributes significantly to the growth of Indian economy. The Pumps & Valves sector has a net value addition ratio in manufacturing of over 20 per cent. India already exports Pumps & Valves worth over US\$ 1.55 billion, serving various engineering segments, to over 100 countries. The exports in this segment are growing at a healthy rate of around 10-12 per cent annually. Additionally the Indian market is already worth over Rs 5,000 crore (US\$ 780 million) in pumps & Rs 4,500 crore (US\$ 700 million) in valves. India is already selling & supporting niche scientific & engineering technologies to developed economies in areas such as in aerospace engineering, auto components, biotechnology etc.

Today India has attained near self-sufficiency in Pumps for Nuclear Power, complete self-sufficiency in captive power generation, pulp & papers, energy efficient pumps in utilities and in agriculture sector. Considerable manufacturing segment of this sector is focusing on catering latest application in Bio-Pharma field. Indian Pumps & Valves sector has uniquely positioned itself to cater global quality solutions emerging from installations, upgradation or replacement needs.

Given the fact that among 'machineries', pumps are said to be produced and used in largest numbers, second only to electric motors. The overall scenario in Indian economy also favours growth and development in Indian Pumps & Valves industry, thereby opening huge potential of international collaborations. During the year, your Company has taken various initiatives and continues to comply with Occupational Health & Safety Management System Standards OHSAS 18001: 2007 and Environment Management System ISO 14001:2004.

OPPORTUNITIES AND THREATS

Opportunities

Domestic market with Make In India and ease of doing business initiatives would provide ample business opportunities across the industries. Defence, Oil & gas and Marine sector continue to remain in focus and would contribute significantly in the medium term.

Your Company has also identified to make all its overseas branches/subsidiaries stronger by making them larger distribution companies. There are significant opportunities to be tapped with enhanced basket of products mainly by trading in them.

THREATS

Markets across the Board are seeing aggressive competition. Both domestic and global capacities out last the demand for various products and commodities. Many sectors especially in domestic market are seeing increased competition. Your Company is prudently trying to deal with this. Inward looking policies of Countries would be a threat to global market

RISK AND CONCERNS

There is going to be continued pressure on margins due to increase in input costs on the one hand and lower prices due to competition on the other. Majority of revenue of your Company comes from Export, exchange rate fluctuations are a major concern. Your Company has significant cash inflows in this currency and also has major Sales revenue coming from Europe. Any economic slowdown either in U.K. or in Europe due to Brexit will directly impact your company.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has an adequate system of internal controls implemented by the management towards achieving higher efficiency in all areas of operations. These controls have been designed to provide a reasonable assurance with regard to maintenance of proper accounting controls, monitoring of operations, protecting assets from unauthorized use or losses, compliance with regulations and for ensuring reliability of financial reporting.

Your Company had planned for adoption of high end ERP software to strengthen its controls and processes, which is under review and would be taken-up during the current financial year. This would also allow integration of multiple locations on one platform and improve efficiency as well.

The Audit Committee of the Board of Directors regularly reviews the adequacy of internal controls and takes necessary corrective actions wherever required.

HUMAN RESOURCES & INDUSTRIAL RELATIONS

We believe that in order to sustain growth under competitive conditions, the Human Capital of the Company should have high level of motivation and knowledge. The Company continues to focus and invest in human resources development to provide an open work culture and rewarding career opportunities to all its employees. During the year, your Company's HR division successfully recruited 26 people in response to various business needs. Manpower strength as on 31.03.2017 was 332 as compared to 339 people in the previous year.

The overall employee relations were peaceful and harmonious throughout the year. The Company continued to create conducive work environment with opportunities for growth and learning, by implementing robust and comprehensive HR policies.

FUTURE OUTLOOK

Your Company has created world class state of the art manufacturing infrastructure on one hand and has also robust marketing setup in Domestic and International Markets with strong research and development capabilities and committed & experienced manpower.

Time ahead looks encouraging particularly in Domestic Market and certain Overseas Markets. However continued unrest in Middle East could have a spiral effect on other economies. Inward looking policies of the Countries may affect the Global market. Brexit would have adverse impact on Global business environment at least in short term. Positive indications in US are a silver lining for the Global Market.

On Domestic front, Governments initiatives on ease of doing business and tax reforms would create conducive business environment. Demonetization exercise would provide positive impacts in long-term. Introduction of Goods and Service Tax would be a game changer in the Economy however in the initial period hiccups may create some temporary problems.

Government's clean India drive, particularly cleaning of rivers and improving waste water management would provide increased opportunities. Your Company's strategic presence in major Economies would provide ample growth opportunities.

Your Company is also making its effort to increase its product basket by outsourcing identified pumps from Domestic and Internal suppliers of repute and would also come out with solar pumps.

The company would continue to grow and the year ahead looks overall positive.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities law and regulations. Actual results may differ from those expressed in the statement. Important factors that could influence the Company's operations include changes in Government regulations, tax laws, economic development within and outside the Country and such other factors.

INDEPENDENT AUDITOR'S REPORT

To the Members of
ROTO PUMPS LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Roto Pumps Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss and Cash Flow Statement for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for

the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2017, its profit and its cash flows for the year ended on that date.

Other Matter

We did not audit the financial statements/information of 2 (two) branches (Australia and UK) included in the standalone financial statements of the Company whose financial statements / financial information reflect total assets of ₹ 2572.33 lacs as at 31st March, 2017 and total revenues of ₹ 3951.93 lacs for the year ended on that date, as considered in the standalone financial statements. The financial statements/information of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such branch auditors.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we enclose in the "Annexure A" statement on the matters Specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The reports on the accounts of the branch offices of the Company audited under Section 143 (8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report.
 - (d) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are

in agreement with the books of account;

- (e) In our opinion, the aforesaid standalone financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (f) On the basis of written representations received from the directors as on March 31, 2017, and taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2017, from being appointed as a director in terms of Section 164(2) of the Act.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.

- (h) With respect to other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of Roto Pumps Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Roto Pumps Limited (“the Company”) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Board of Directors is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance

Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017.

SIGNIFICANT ACCOUNTING POLICIES

System of Accounting

Unless otherwise stated hereunder the financial accounts of the Company have been drawn up on historical cost convention and on accrual basis.

Use of Estimates

The preparation of financial statement requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. Differences between actual results and estimates are recognised in the period in which they are materialise.

Revenue Recognition

Sale of Goods : Revenue and the associated costs can be estimated reliably and it is probable that economic benefits associated with the transaction will flow to the Company. Sales are net of taxes and sales returns but inclusive of exchange rates fluctuations.

Sale of Services : Income from services rendered is recognized based on arrangements with the customers as the service is performed during the year as well as the reporting date and the amount of revenue can be measured reliably.

Fixed Assets

Fixed Assets are capitalised at cost of acquisition and subsequent improvements thereto including taxes, duties etc other than Cenvat credit wherever applicable. Freight & other incidental expenses related to acquisition and installation are added to cost. In case of write-up due to revaluation are shown at such higher amount.

Depreciation

Depreciation on all assets has been charged by written down value method in accordance with the useful life of the assets as prescribed in Schedule II to the Companies Act ,2013.

In respect of revalued assets, the incremental depreciation attributable to the Revaluation is transferred to Revaluation Reserve.

Inventories

Inventories have been valued as follows -

Raw Materials	: At cost*
Finished Goods	: At lower of the cost and net realisable value**
Work in Progress	: At cost*
Stores, Tools & Other Materials	: At cost*

* The cost has been arrived at by using 'FIFO' method.

** The cost of finished goods has been determined by considering standard conversion cost.

Impairment of Assets

The Company determines whether there is any indication of impairment of the carrying amount of the company's assets. The recoverable amount of such assets are estimated , if any indication exists , and impairment losses recognised wherever the carrying

amount of the assets exceeds its recoverable amount.

Employees' Benefits

-Company's contribution to Provident Fund and Family Pension Fund are charged to profit & loss account.

-Provision for Gratuity and Leave Encashment benefits, in respect of employees governed by Indian rules and regulations is made on the basis of actuarial valuation as at the end of the year in conformity with the Accounting standard-15 (Revised) issued by the Institute of Chartered Accountants of India and the provision for leave encashment (including long term leave) in respect of employees at foreign branches is made as per law prevalent in foreign country.

-Contribution to Employee Group Gratuity Trust for the current year are charged to Profit & Loss account and for the past years are adjusted in the Provision for Gratuity a/c.

Foreign Currency Translations

Foreign Currency Transactions

Transactions in foreign currency are accounted for at the exchange rates prevailing at the date of transaction. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currency are recognised in the profit and loss account. Exchange differences arising on account of monetary liabilities related to fixed assets are adjusted in the cost of assets. Bank Guarantee in foreign currency are translated at the exchange rate prevailing at the year end.

Foreign Branch Operation's Translations

The activities of the Foreign Branches are an integral part of the operations of the company and hence the foreign branch financial statements are translated in accordance with accounting standard applicable to Integral Foreign Operation as given under:

Income & Expenditure items by applying to the foreign currency amount, the exchange rate at the date of transaction. The rate used is an average rate for calendar month and used for all transaction occurring during that calendar month.

Fixed Assets are recorded at the exchange rate prevailing on the date of transaction.

Depreciation on the fixed assets in Indian rupees, which are reported using the exchange rate at the date of transaction.

Inventories related to stocks transfer from reporting enterprise are shown at the cost of reporting enterprises plus expenses incurred to bring the material at the shelf of foreign branch's warehouse and local bought out inventories are translated at the exchange rate prevailing at year end.

Other current assets and liabilities are converted at the exchange rates prevailing at the year end.

The exchange difference on translation of Foreign Branch financial statements are recognised in profit & loss account.

Research & Development

Revenue expenditure pertaining to research and development is charged to revenue in the year in which it is incurred. Capital Expenditure is treated as forming part of Fixed Assets.

Borrowing Cost

Interest and other costs in connection with borrowing of funds to the extent related / attributed to the acquisition / construction of qualifying fixed assets are capitalised upto the date when such assets are ready for its intended use and other borrowing cost are charged to Profit and Loss Account.

Provision for Deferred and Current tax

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. Deferred Tax resulting from "timing difference" between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is a reasonable certainty that the assets will be realised in future.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these Consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014 (particularly Accounting Standard 21 – Consolidated Financial Statements). The respective Board of Directors of the companies included in the Group and of its jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provision of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and jointly controlled entities as at 31st March, 2017, and their consolidated profit/loss and their consolidated cash flows for the year ended on that date.

Other Matter

We did not audit the financial statements / financial information of two subsidiaries and one jointly controlled entity, whose financial statements / financial information reflect total assets of ₹ 1013.81 Lacs as at 31st March, 2017, total revenues of ₹ 1296.54 Lacs. These financial statements / financial information are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, is based solely on such unaudited financial statements / financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements / financial information are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of a subsidiary and a jointly controlled entity as noted in the "Other Matter" paragraph we report to the extent applicable that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of written representations received from the directors as on March 31, 2017, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, internal financial controls over financial reporting are adequate.
- (g) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 23.1 to the financial statements
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

SIGNIFICANT ACCOUNTING POLICIES

System of Consolidation

- a) The Consolidated Financial Statements are prepared in accordance with the Accounting Standard 21 "Consolidated Financial Statements".
- b) The Consolidated Financial Statements comprise the Financial Statements of the Company given below :
 - 1) Roto Pumpen GmbH-Germany (Wholly Owned Subsidiary Company)
 - 2) Roto Pumps Americas Inc-USA (Wholly Owned Subsidiary Company)
 - 3) Roto Overseas Pte.Ltd- Singapore (Joint Venture Company)

System of Accounting

Unless otherwise stated hereunder the financial accounts of the Company have been drawn up on historical cost convention and on accrual basis.

Use of Estimates

The preparation of financial statement requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. Differences between actual results and estimates are recognised in the period in which they are materialise.

Revenue Recognition

"Sale of Goods : Revenue and the associated costs can be estimated reliably and it is probable that economic benefits associated with the transaction will flow to the Company. Sales are net of taxes and sales returns but inclusive of exchange rates fluctuations.

Sale of Services : Income from services rendered is recognized based on arrangements with the customers as the service is performed during the year as well as the reporting date and the amount of revenue can be measured reliably."

Fixed Assets

Fixed Assets are capitalised at cost of acquisition and subsequent improvements thereto including taxes, duties etc other than Cenvat credit wherever applicable. Freight & other incidental expenses related to acquisition and installation are added to cost. In case of write-up due to revaluation are shown at such higher amount.

Depreciation

Depreciation on all assets has been charged by written down value method in accordance with the useful life of the assets as prescribed in Schedule II to the Companies Act ,2013.

In respect of revalued assets, the incremental depreciation attributable to the Revaluation is transferred to Revaluation Reserve.

Inventories

Inventories have been valued as follows -

Raw Materials	: At cost *
Finished Goods	: At lower of the cost and net realisable value **
Work in Progress	: At cost *
Stores, Tools & Other Materials	: At cost *

* The cost has been arrived at by using 'FIFO' method.

** The cost of finished goods has been determined by considering standard conversion cost.

Impairment of Assets

The Company determines whether there is any indication of impairment of the carrying amount of the company's assets. The recoverable amount of such assets are estimated , if any indication exists , and impairment losses recognised wherever the carrying amount of the assets exceeds its recoverable amount.

Employees' Benefits

-Company's contribution to Provident Fund and Family Pension Fund are charged to profit & loss account.

-Provision for Gratuity and Leave Encashment benefits, in respect of employees governed by Indian rules and regulations is made on the basis of actuarial valuation as at the end of the year in conformity with the Accounting standard-15 (Revised) issued by the Institute of Chartered Accountants of India and the provision for leave encashment (including long term leave) in respect of employees at foreign branches is made as per law prevalent in foreign country

-Contribution to Employee Group Gratuity Trust for the current year are charged to Profit & Loss account and for the past years are adjusted in the Provision for Gratuity a/c.

Foreign Currency Translations

Foreign Currency Transactions

Transactions in foreign currency are accounted for at the exchange rates prevailing at the date of transaction. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currency are recognised in the profit and loss account. Exchange differences arising on account of monetary liabilities related to fixed assets are adjusted in the cost of assets. Bank Guarantee in foreign currency are translated at the exchange rate prevailing at the year end.

Foreign Branch Operation's Translations

The activities of the Foreign Branches are an integral part of the operations of the company and hence the foreign branch financial statements are translated in accordance with accounting standard applicable to Integral Foreign Operation as given under:

Income & Expenditure items by applying to the foreign currency amount, the exchange rate at the date of transaction. The rate used is an average rate for calendar month and used for all transaction occurring during that calendar month.

Fixed Assets are recorded at the exchange rate prevailing on the date of transaction.

Depreciation on the fixed assets in Indian rupees, which are reported using the exchange rate at the date of transaction.
