III. Other Information

(1) Reasons of loss or inadequate profits:

There are no losses in the company but the profits generated are inadequate. The main reason for inadequacy of profit is low turnover of the Company due to stiff competition. Another reason is high manpower turnover, which is generally seen in most

of the industries at present. High cost to retain the quality manpower, therefore to be incurred which is not commensurate with the sales of the Company.

(2) Steps taken or proposed to be taken for improvement:

The Company has proposed to increase its exposure in the International Market, which is a more profitable avenue. In this direction, the Company is strengthening its Warehouse cum Marketing Offices in Australia and U. K.. The International Marketing Division has been strengthened during the year and extensive foreign visits have been undertaken to explore the Pump market in South Africa, USA, UAE, Vietnam, Egypt, Taiwan, Canada, Korea & China. The Company is getting positive responses and has started receiving orders as well.

Simultaneously, steps have been taken to strengthen the production capacity to match the proposed increase in turnover. In this direction, acquisition of some new high productivity machines/replacement of old plant & machinery has been undertaken. Steps have also been taken to recruit quality manpower to produce good quality pumps & spares, ensuring timely delivery & customer satisfaction.

(3) Expected increase in productivity and profits in measurable terms.

The Company expects an increase of 30%, 25% and 25% in Sales turnover (Productivity) and 15%, 17% and 17% in profits in 2007-08, 2008-09, and 2009-10 respectively and thereafter a steady growth of 25% in sales turnover and 17% in profitability per annum.

III. Other Information

(1) Reasons of loss or inadequate profits:

There are no losses in the company but the profits generated are inadequate. The main reason for inadequacy of profit is low turnover of the Company due to stiff competition. Another reason is high manpower turnover, which is generally seen in most of the industries at present. High cost to retain the quality manpower, therefore to be incurred which is not commensurate with the sales of the Company.

(2) Steps taken or proposed to be taken for improvement:

The Company has proposed to increase its exposure in the International Market, which is a more profitable avenue. In this direction, the Company is strengthening its Warehouse cum Marketing Offices in Australia and U. K.. The International Marketing Division has been strengthened during the year and extensive foreign visits have been undertaken to explore the Pump market in South Africa, USA, UAE, Vietnam, Egypt, Taiwan, Canada, Korea & China. The Company is getting positive responses and has started receiving orders as well.

Simultaneously, steps have been taken to strengthen the production capacity to match the proposed increase in turnover. In this direction, acquisition of some new high productivity machines/replacement of old plant & machinery has been undertaken.

Steps have also been taken to recruit quality manpower to produce good quality pumps & spares, ensuring timely delivery & customer satisfaction.

(3) Expected increase in productivity and profits in measurable terms.

The Company expects an increase of 30%, 25% and 25% in Sales turnover (Productivity) and 15%, 17% and 17% in profits in 2007-08, 2008-09, and 2009-10 respectively and thereafter a steady growth of 25% in sales turnover and 17% in profitability per annum.

IV. Disclosures

- 1. The remuneration package of Shri Arvind Veer Gupta is clearly described in clause II (5) above and also in special resolution at Item No. 10 of the Notice of the Thirty Second Annual General Meeting of the Company.
- 2. Prescribed disclosure about the remuneration package of Shri Arvind Veer Gupta has been mentioned in the Board of Directors' report under the heading "Corporate Governance" attached to the Annual Report

MANAGEMENT DISCUSSION AND ANALYSIS

Overview

The Financial Statements of the Company have been prepared in compliance with the requirement of the Companies Act, 1956 and Generally Accepted Accounting Principles in India. There is no material departure from the prescribed accounting standards in the adoption of the accounting standards. The management of Roto accepts responsibility for the integrity and objectivity of these financial statements, as well as for various estimates, provisions and judgments used therein, which have been made on prudent and reasonable basis, in order that the same reflect a true and fair view of the affairs of the Company.

Resources Allocation

Fixed Assets

The Gross Fixed Assets as at 31st March, 2007 were Rs. 1444.46 lacs as compared to Rs. 1298.12 lacs on 31st March, 2006 indicating an increase of 11.27%. The net increase was mainly on account of purchase of new plant & machinery, furniture & fixtures, office equipment, computers and vehicles.

Working Capital

Net current assets as at 31st March, 2007 was Rs. 1211.76 lacs, which was greater by Rs287.88 lacs than the previous year. The details are as follows:

Particulars	As at 31.03.2007	As at 31.03.2006
Current Assets, Loans and Advances:		
Inventories	942.60	694.06
Sundry Debtors	840.65	587.63
Cash and Bank Balances	92.00	61.84
Loans, Advances and Others	260.00	_142.01
Total	2135.25	1485.54
Current Liabilities and Provisions:		
Current Liabilities	687.87	399.75
Provisions	235.62	<u>161.91</u>
Total	923.49	561.66
Net Current Assets	1211.76	923.88

Inventories increased by Rs. 248.54 lacs. Sundry debtors increased by Rs. 253.02 lacs due to increased sales. Sundry debtors outstanding for more than six months amounted to Rs. 25.10 lacs as compared to Rs. 17.31 lacs in the pervious year. The management has recognised debtors of Rs. 2.36 lacs as bad debts and as not recoverable.

Current liabilities have increased by Rs. 288.12 lacs. Provisions have been increased by Rs. 73.71 lacs due to increase in provision for income tax, propose dividend and leave encashment.

The management believes that the Company's liquidity and capital resources would be adequate to meet its expected working capital needs and other anticipated cash requirements.

Financial performance

Revenue of Roto Pumps is generated principally from the sale of pumps and its spares. The Company has a rich heritage in manufacturing technology. The company offers comprehensive range of progressive cavity (single screw and multiple screw pumps) for various applications.

Though the pump industry has not grown as per the expectations envisaged as a result of thrust in the infrastructure industry by the Government, the Company's revenue has grown to Rs. 3422.58 lacs from 2448.46 lacs during 2005-06.

The Company earned a profit after tax of Rs. 204.12 lacs against Rs. 90.94 lacs in 2005-06 and also recommended a dividend of 15% for 2006-07 involving total cash out flow of Rs. 54.24 lacs.

Future Outlook

Roto's strength is its committed manpower and in-house technology. Favorable trends in the Indian economy and the functioning of operational Warehouse cum Marketing Office in U. K. and Warehouse cum Marketing Office in Australia in full swing, would lead to further growth of the Company.

Cautionary Statement

Statements in the Management Discussion Analysis describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities law and regulations. Actual results may differ from those expressed in the statement. Important factors that could influence the Company's operations include changes in Government regulations, tax laws, economic development within and outside the Country and such other factors.

SIGNIFICANT ACCOUNTING POLICIES, CONTINGENT LIABILITIES AND NOTES

(A) Significant Accounting Policies:

1 System of Accounting

Unless otherwise stated hereunder the financial accounts of the Company have been drawn up on historical cost convention and on accrual basis.

2 Sales

Sales are net of taxes and sales returns but inclusive of excise duty and exchange rates fluctuations.

3 Fixed Assets

Fixed Assets are capitalised at cost of acquisition and subsequent improvements thereto including taxes, duties etc. other than Cenvat credit wherever applicable. Freight & other incidental expenses related to acquisition and installation are added to cost. In case of write-up due to revaluation, fixed assets are shown at such higher amount.

4 Depreciation

- i) Depreciation on all assets has been charged by written down value method in accordance with the rates and manner specified in Schedule XIV to the Companies Act, 1956.
- ii) In respect of revalued assets, the incremental depreciation attributable to the Revaluation is transferred to Revaluation Reserve.

5 Inventories

Inventories have been valued as follows -

Raw Materials : At cost *

Finished Goods : At lower of the cost and net realisable value **

Work in Progress : At cost *
Stores, Tools & Other Materials : At cost *

- * The cost has been arrived at by using 'FIFO' method.
- ** The cost of finised goods has been determined by considering standard conversion cost.

6 Impairment of Assets

Impairment loss, if any, is provided to the extent, the carrying amount of assets exceeds their recoverable amount. Recoverable amount is higher of an assets's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an assets and from its disposal at the end of its useful life.

7 Employees' Benefits

Compnay's contribution to Provident Fund and Family Pension Fund are charged to profit & loss account.

Provision for Gratuity and Leave Encashment benefits is made on the basis of actuarial valuation as at the end of the year in confirmity with the Accounting standard-15 (Revised) issued by the Institute of Charered Accountants of India.

Contribution to Employee Group Gratuity Trust for the current year are charged to Profit & Loss account and for the past years are adjusted in the Provision for Gratuity a/c.

8 Foreign Currency Translations

a Foreign Currency Transactions

Transactions in foreign currency are accounted for at the exchange rate prevailing at the date of transaction. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies are recognised in the Profit & Loss Account . Exchange differences arising on account of monetary liabilities related to fixed assets are adjusted in the cost of assets. Bank Guarantee in foreign currency are translated at the exchange rate prevailing at the year end.

b Foreign Branch Operation's Translations

The activities of the Foreign Branches are an integral part of the operations of the company and hence the foreign branch financial statements are translated in accordance with accounting standard applicable to integral Foreign Operation as given under:

- i) Income and expenditure items by applying to the foreign currency amount, the exchange rate at the date of transaction. The rate used is an average rate for calender month and used for all transaction occurring during that calendar month.
- ii) Fixed Assets at the exchange rate prevailing on the date of transaction.
