EXCELLENCE **EXEMPLIFIED**, SOLUTIONS **DELIVERED**

At Roto Pumps, we stand committed to provide highest quality of reliable pumping solutions to our customers. We do so by being at the forefront of technological advancements. By devising and periodically reviewing operational practices that ensure optimum performance and also by establishing multiple check points at every stage of manufacturing to ensure that each pump delivered by Roto Pumps confers to highest standards of quality.

Evolution of Roto Pumps is centered on exceeding expectations and enhancing customer satisfaction and to do so we have nurtured our

inherent inventiveness. What makes us different is not just the foresight to acquire sophisticated and cutting edge machine tools, technologies and software but also the wisdom to nurture teams of world class researchers, scientists, designers, developers and engineers. Cutting edge machines and tools, dedicated team of experts and willingness to innovate enables us to experiment and devise not just pumps but comprehensive pumping solutions that significantly enhance efficiency of our client's operations across sectors.

ENSURING *QUALITY,*ENHANCING *PRODUCTIVITY*

At ROTO, we strive to create and constantly improve designs that meet the highest standards of quality. It's important to strengthen our manufacturing process in a way that it translates into the actual customer solution. We are committed to providing the highest standard of quality in our finished products. With its state of the art manufacturing Units based in Greater Noida, Roto Pump is already India's favorite pump and we are growing to be amongst world's top ten pump manufacturers in Positive Displacement category

Our manufacturing plant is equipped with

- Advanced machines i.e. CNCs, HMCs, VMCs & SPMs
- In-house stator manufacturing
- In-house R&D center recognized by DSIR
- SCADA based real time pump testing facility
- In-House Standard Room for Calibration
- In House CMM (Coordinate Measuring

Machine) for precise measurement

- PMI machine for Raw Material Testing & Rheo-meter for Fluid Viscosity Analysis
- In-house fabrication unit equipped with DNV Certified welders

Over the years, we've built strong manufacturing capabilities keeping in mind the ultimate goal of customer success. We work on customized solutions rather than just providing products and services. Various certifications for ROTO's manufacturing facilities have enabled us to be a part of some large scale, very critical projects of our clients. Today, we provide critical client-oriented solutions to a wide range of industries including oil & gas, paper & pulp, constructions, navy and many more. With global recognition, we now aspire to raise the bar with our manufacturing facilities.

EXCELLENCE IN R&D

Research & Development is the core strength of Roto and one of the key differentiator that enables Roto to maintain its leadership position in the market. Early into the business, we invested in the best technologies and state of the art R&D facilities. Today, the R&D facility has a highly knowledgeable, qualified and dedicated manpower, who are using sophisticated designing tools & software to provide new products, technologies and innovative solutions. We are proud to announce that our R&D facility has been recognized by the Department of Scientific & Industrial Research, Ministry of Science & Technology, Government of India.

ROTO PUMPS PRODUCTS ENGINEERED TO EXCEL

Roto Pumps products offer a vast range of highly engineered customised pumping solutions.

Progressive Cavity Pump

Roto Progressive cavity pumps are designed for continuous or intermittent transfer duties in innumerable applications for varying viscosities, abrasiveness & even fluids with high solid content. These pumps have single rotating Roto Progressive Cavity Pumps are available element which helps in delivering uniform, in Close Coupled & Bare-shaft Configuration. metered and non-pulsating flow of media.

- Viscosity: up to 3,000,000cSt
- Capacity: up to 500 m³/hr (2,200 GPM)
- Pressure: up to 48bar or 700 PSI

Twin Screw Pump

Roto Twin Screw pumps are designed for handling wide variety of clear lubricating/nonlubricating as well as aggressive liquids. Roto TSP's unique double profile of the screw spindles contributes to a higher volumetric efficiency and provides uniform flow with Zero axiel thrust. These pumps are self-priming, capable of handling entrapped air/vapour/gas due to positive displacement action and have in-built relief valve designed to bypass up to 100% capacity.

ROTO Twin Screw pumps offer long and troublefree service life due to absence of metal to metal contact between the pumping elements and it can even run dry for limited period of time. Also, these pumps offer high cavitations free suction lift due to low NPSH requirement.

- Capacity up to 940m³/hr or 6600 GPM
- Pressure up to 30bar or 435 PSI
- Viscosity up to 100,000cSt

These pumps widely confirm to API 676, 3rd edition and are ATEX and CE certified.

OTHER PRODUCTS

Retrofit Spare parts

Roto Pump's ability to design, manufacture and deliver best suitable Retrofit Spare Parts for all the major PCP brands provides us a significant advantage. While our spare parts enables our customers to maximize the operational life of their existing pumps at a fraction of cost and assures minimum disruption in operations, for us it is an opportunity to develop relationships with prospective customers and also a significant revenue generation opportunity.

Gear Pump

Roto's external gear pump with its innovative design is compact, efficient and ensures longer service life. These pumps are have a simple four piece construction, specially designed to handle thinner to thicker & even corrosive liquids with little or no lubrication. These pumps can be used for versatile applications in various industries like Automobiles, Bio-diesel, Cement, Minerals, Chemicals, Fertilizers, Paper Mills, Pharmaceuticals, Plastics, and Polymers etc. Roto Gear pumps are available in various materials and can also be customized for high pressure applications.

- Capacity up to 120m³/hr or 530 GPM
- Pressure up to 11 bar or 160 PSI
- Viscosity up to 100,000cSt

AODD Pump

Roto diaphragm pumps are used for handling light to medium viscosity fluids, including: aggressive chemicals or liquids with heavy solids content. These pumps are built to resist corrosion and deliver a long, trouble-free product life.

- Capacity up to 120m³/hr or 530 GPM
- Pressure up to 10 bar or 145 PSI
- Viscosity up to 10,000cSt

MESSAGE TO THE SHAREHOLDER

Dear Shareholders,

The year 2019-20 was a significant year for our Company. The first 3 quarters were on track, where sales grew steadily. However there was a sudden drop in the production and sales in the last quarter due to Corona virus. We like most of industries, were witness to almost complete lockdown of the country. This was also the case in so many countries that we are operating. The effect was so pronounced that not only our operations were adversely effected but even finished goods could not be dispatched towards end of the 4th guarter. The impact of the 4th quarter downturn was so severe that the financial performance of your company's performance for the year was affected adversely.

The highlight of performance of your company in FY20 - The standalone total income was ₹125.8 Crore as compared to ₹129.8 Crore and the standalone profit after tax was ₹12.8 Crore lower from ₹15.3 Crore in FY19. The consolidated total income was ₹135.9 Crore against ₹136.8 Crore in FY19 and the consolidated Profit after tax has been ₹11.6 Crore against ₹16.2 Crore in FY19.

In pursuit of our strategy to increase our foot prints in all major markets, your company setup a stepdown wholly owned subsidiary company in Malaysia to carry on sales and marketing of Company's products in Malaysia, Indonesia and Singapore. We also took effective steps to restart the German subsidiary in order to enhance our presence in the European Market. Now we have sales and marketing set up Australia, UK, Germany, US, Malaysia and South Africa. Your company during the year achieved higher operational efficiencies, which have resulted in improved on-time delivery performance and reduction in costs. The company also enhanced its product basket by adding 2 major products - External gear pumps and Air Operated Double Diaphragm pumps. These developments are in line with our Vision to become a significant Positive Displacement pump manufacturer globally. We are committed towards achieving our longterm goals. However the pandemic has posed immense challenges. All round initiatives have been taken to ensure safety and health of people in work place to ensure that the operations of the company can be carried without any disruptions. We also resorted to work from home facility for select employees. The focus is on to reduce the costs significantly and improve operational efficiencies with an aim to improve the operating margins. The sales and marketing

activities are also being realigned to focus on markets /industries which will continue to grow. Our global outreach and spread of our products across major industries gives us confidence of meeting our medium term goals despite prevailing economic environment.

Governments all around the world have announced stimulus package and have provided support to business, we have been able to seek such supports in Australia and UK, and this helped the business in Q1 of the current financial year. Government of India had announced several economic packages in order to bring the economy back on track in India. . The economic package announced by the Government to help industries in MSME sector is a welcome step. Our Prime minister's "Atma Nirbhar Bharat Abhiyan" is going to benefit your company by way of increased opportunities in defense, marine and in other industries, who are large importers of equipment. Our thoughtful investment in R&D center and continuous upgradation of manufacturing and marketing infrastructure is helping us in increasing our business globally. Quality and performance of products of your company has been backbone of our growth in even developed markets. We will continue to invest in product and manufacturing technologies to grow globally and remain competitive.

Human Resource and Talent is a key to any company's growth. We are focused on creating an environment based on the ethos of innovation; team spirit and employee centric policies . We have employees across geographies and are respectful to each and every community, culture and country. We are committed to create a unified Roto culture where every employee is able to contribute towards growth of the company.

We are poised for an exciting journey ahead using innovative ideas and technologies, as more global companies emerge out of India. We thank all our stakeholders for their support and for being with us on our journey of high growth. At Roto Pumps the future is bright and full of promise, as we strive to garner global leadership in the high end pump industry in the next five years.

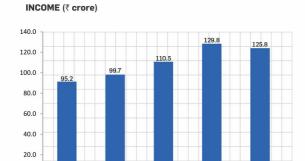

Best regards, Harish Chandra Gupta Chairman & Managing Director

Income		
Total	1240.15	1496.94
Comprehensive		
Income for the year		

Dividend

The Board of Director, at its meeting held on 10th February, 2020, had approved payment of an interim dividend at the rate ₹ 0.30 (i.e. 15%) per share of face value of ₹ 2.00 payable to shareholders holding shares as on 25th February, 2020. This involved cash outflow of ₹ 46,36,141.50 towards dividend and ₹ 9,52,960.00 towards dividend distribution tax totaling to ₹ 55,89,101.50. No amount from profit for the year has been transferred to the General Reserve.

Due to the difficult situation emerged on account of COVID19 pandemic, the Board of Directors has recommended to treat the above said interim dividend as the final dividend for the financial year ended 31st March, 2020 and not to pay any further dividend.

Share Capital

The Paid-up Equity Share Capital as on 31st March, 2020 was ₹ 309.08 Lacs. During the year under review, your Company has not issued any shares, bonus shares or bought back any shares. The Company has not issued shares with differential voting rights. It has

neither issued employee stock options nor any sweat equity shares and does not have any scheme to fund its Employees to purchase the shares of the Company.

Investor Education and Protection Fund

In terms of the provisions of Section 124(5) of the Companies Act, 2013 and Rule 3 of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the un-claimed dividend relating to the financial year 2011-12 has been remitted to the Investor Education and Protection Fund (IEPF) established by the Central Government. This involved transfer of ₹ 1,58,725/- unclaimed dividend and 8,105 related shares on which dividend had been unclaimed for seven consecutive years.

The un-claimed dividend for further years would become due for transfer to IEPF per below details-

Amount ₹ In Lacs

S. No	Financial vear	Un-claimed dividend as	Due date for transfer to
	year	on	ILTI
		31.07.2020	
1.	2012-13	205,040.00	November 04, 2020
2.	2013-14	209,040.00	November 05, 2021
3.	2014-15	194,031.60	November 06, 2022
4.	2015-16	72,752.60	November 05, 2023
5.	2016-17	150,125.60	November 05, 2024
6.	2017-18	121,939.60	November 05, 2025
7.	2018-19	235,499.50	November 05,2026
8.	2019-20	79,535.70	March 18, 2027

Further, in terms of the provisions of Section 124(6) of the Companies Act, 2013, and Rule 6 of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, shares related to the dividend, which would be transferred to Investor Education and Protection Fund as stated above, on which dividend for next seven years remained unclaimed / unpaid, would also become due for transfer to the IEPF on the said date.

The Company Secretary is nominated as the Nodal Officer for issues relating to the Investor Education and Protection Fund. The Nodal Officer may be contacted at investors@rotopumps.com

Details of un-claimed dividend are available on the Company's website at www.rotopumps.com.

Year in retrospect

Your Company has achieved an Income from Operations of ₹ 12166.64 lacs against previous year's ₹ 12776.01 lacs. Domestic sales were ₹ 4438.18 lacs as compared to ₹ 4222.86 lacs, representing a growth of 5.10%. Export sales were ₹ 7728.46 lacs as compared to ₹ 8553.15 lacs, having a decline of 9.64% over last year. Export sales include ₹ 5012.67 lacs, sales from Marketing Outlets in United Kingdom and Australia. Revenue from exports constitutes 63.52% of the total revenue from operations. The lower

income from Operations has been mainly due to the difficult conditions emerged on account of COVID19 pandemic.

Outlook

Your Company had envisaged a CAGR of 20% over a medium term. This needs to be re-calibrated due to COVID19 pandemic. As the effect of COVID19 varies from Country to Country, your Company's presence in various Countries would minimise the effects of COVID19.

During the current year, your Company's focus is to maintain the operating efficiency and profit margins although there would be some decline in top line. Implementation of SAP software, cost cutting and efficient inventory management are some of the steps are being adopted in this direction.

Consolidated Financial Statements

The Consolidated Financial Statements of the Company and its subsidiaries have been prepared in accordance with Indian Accounting Standard 110 notified by the Ministry of Corporate Affairs, Government of India and form part of the Annual Report.

The annual accounts of the subsidiaries and related information are kept at the Registered Office of the Company, as also at the registered offices of the respective subsidiary companies and will be available to investors seeking information at any time.

During the period ended 31st March, 2020, the subsidiary has incurred administrative expenses of RM 27,324.

Statement containing the salient features of financial statements of the subsidiary companies in the prescribed Form AOC-1 is annexed as per **Annexure-A**.

Particulars of Loans, Guarantees or Investments

During the year under review, your Company has acquired further shares in its wholly owned subsidiaries per below -

- a. 4,00,000 shares of SGD 1 each at par value in Roto Overseas Pte Ltd, Singapore;
- b. 1,25,000 shares of EURO 1 each at par value in Roto Pumpen GmbH, Germany.

Your company has not given any loan or provided any guarantees during the year under review.

Public Deposits

Your Company has neither accepted nor renewed any public deposit during the financial year under review.

Related Party Transactions

All Related Party Transactions that were entered into by the Company during the year under review were on an arm's length basis and in the ordinary course of business and were in compliance with the applicable provisions of the Companies Act, 2013 ('the Act') and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. There were no materially significant Related Party Transactions made by your Company during the year that would have required Shareholder approval under Regulation 23 of securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Prior omnibus approval of the Audit Committee has been obtained for the transactions which are repetitive in nature. A statement of all Related Party Transactions is placed before the Audit Committee for its review on a quarterly basis, specifying the nature, value and terms and conditions of the transactions and other relevant details as are required in terms of the Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. Details of the transactions with Related Parties are provided at Note no. 40 of the accompanying standalone financial statements.

Risk Management

Your Company has formulated a risk management policy to put in place a procedure to inform the Board about the risk assessment and minimization procedure. The Company has also formed a Risk Management Committee comprising of Directors and Executives of your Company to assess the risk and minimization procedures and report the same to the Board at the meetings.

Internal Control System and its adequacy

Your Company has an adequate internal control system commensurate with the size of the Company and nature of its business.

Further, in terms of provisions of Section 138 of the Companies Act, 2013 and the rules made thereunder, your Company has appointed M/s. Kapoor Tandon & Co., Chartered Accountants as its Internal

Auditor to conduct the internal audit of the functions and activities and review of internal controls system in the Company. Based on the report of internal audit function, the Board undertakes corrective action in their respective areas and thereby strengthens the controls.

Directors and Key Managerial Personnel

Mrs. Annapurna Dixit independent director of the Company ceased to be director due to resignation w. e. f. 22nd January, 2020 as due to her increased social responsibilities she was not able to devote sufficient time as a director of the Company.

Pursuant to the provisions of the Companies Act, 2013 read with the Articles of Association of the Company, Mr. Anurag Gupta, Director (DIN: 00334160) retires from the Board by rotation, and is eligible for re-appointment.

Annual Evaluation of Board Performance and Performance of its Committees and of Directors:

Pursuant to the provisions of the Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board has carried out an annual evaluation of its own performance, performance of the Directors as well as the evaluation of the working of its Committees. The Nomination and Remuneration Committee has laid down the evaluation criteria, procedure and time schedule for the Performance Evaluation process for the Board, its Committees and Directors.

Independent Directors and their meetings

The Independent directors were provided an insight about their roles, duties, rights and responsibilities. They were given a fair idea and knowledge about the working, strategy and the organizational structure of the Company so that they could adapt to the company culture and contribute through active participation and interaction in a better manner.

The Nomination and Remuneration Policy adopted by your Company deals with the criteria for selection and determining the Independence of Directors and also the Remuneration policy for directors, Key Managerial Personnel (KMP) and other employees. The Remuneration policy is available at the website of the Company at http://www.rotopumps.com/investors/policies.html.

Your Company's Independent Directors meet at least once in a financial year without the presence of Executive Directors or Management Personnel. Such meetings are conducted to enable the Independent Directors to discuss matters pertaining to the Company's Affairs and put forth their views. During the year under review, one meeting of the Independent Directors was held on 10th February, 2020 where all the independent directors were presented.

Board, Committees and their meetings

Details of the composition of the Board and its Committees and of the Meetings held and attendance of the Directors at such Meetings, are provided in the Corporate Governance Report. The intervening gap between the Meetings was within the period prescribed under the Companies Act, 2013, the Rules made thereunder and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Directors' Responsibility Statement

In accordance with the provisions of Section 134(5) of the Companies Act, 2013, the Board hereby submits its responsibility Statement:

- In the preparation of the annual accounts, the applicable accounting standards had been followed alongwith proper explanation relating to material departures, if any;
- (b) The directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of your Company at the end of the financial year and of the profit of your Company for the financial year;
- (c) The directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of your Company and for preventing and detecting fraud and other irregularities;
- (d) The directors had prepared the annual accounts on a going concern basis
- (e) The directors had laid down internal financial controls to be followed by your Company and that such internal financial controls were adequate and were operating effectively; and.
- (f) The directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Corporate Social Responsibility

Your Company has formulated its Corporate Social Responsibility (CSR) Policy to undertake the CSR activities as specified in the Schedule VII to the Companies Act, 2013. CSR Policy is available at http://www.rotopumps.com/investors/policies.html. The Annual Report of CSR activity for the financial year 2019-20 is annexed at **Annexure -B.**

Policy on prevention, prohibition and redressal of sexual harassment at Workplace

Your Company has zero tolerance for sexual harassment at workplace and has adopted a Policy on Prevention, Prohibition and Redressal of Sexual Harassment at the Workplace, in line with the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and the Rules there under. The Policy aims to provide protection to employees at the workplace and prevent and redress any complaint(s) of sexual harassment and for matters connected or incidental thereto, with the objective of providing a safe working environment, where employees feel secure. Your Company has complied with the provisions of the Act relating to the constitution of Internal Complaints Committee. Your Company has not received any complaint of sexual harassment during the year under review.

Vigil Mechanism / Whistle Blower Policy

Your Company has adopted a Whistle Blower Policy, to provide a formal mechanism to the Directors and employees to report their concerns about unethical behavior, actual or suspected fraud or violation of the Company's Code of Conduct or ethics policy. The Policy provides for adequate safeguards against victimization of employees who avail of the mechanism and also provides for direct access to the Chairman of the Audit Committee.

It is affirmed that no personnel of your Company has been denied access to the Audit Committee. The policy has been adopted in compliance with the requirements of SEBI and Section 177(9) of the Companies Act, 2013 and the Rules thereunder including any amendment(s) thereto.

Material changes and commitment, if any, affecting the financial position of the Company occurred between the end of the financial year to which these financial statements relate and the date of the report

No material changes and commitments affecting the financial position of your Company have occurred between the end of the financial year to which these financial statements relate and on the date of this report except due to lasting effect of COVID19, there is a decline in demand both in domestic as well as international market. As the effect of COIVID19 is varying from Country to Country, your Company's global business is not so badly affected due to its presence in various Countries.

Secretarial Standards

Your Company has complied with the requirements of the mandatory secretarial standards issued by the Institute of Company Secretaries of India.

Significant and Material Orders passed by the Courts or Regulators

No significant and material orders have been passed by the Regulators or Courts or Tribunals which would impact the going concern status of your Company and its future operations.

Auditors

a. Statuary Auditors

M/s. R. N. Marwah & Co. LLP, Chartered Accountants, New Delhi (Firm Registration no. 001211N/N500019) were appointed as the Statutory Auditors of the Company for a period of five years by the members of the Company at their Annual General Meeting held on 29th September, 2017 subject to ratification at every intervening Annual General Meeting under section 139 of the Companies Act, 2013. Such requirement of ratification of appointment of Statutory Auditors at every intervening Annual General Meeting has since been dispensed with by the Companies (Amendment) Act, 2017; accordingly, no such ratification is required.

The observations of the Auditors in their report read with the notes to accounts are self-explanatory and do not call for any further action or information.

b. Branch Auditors

The term of the Branch Auditors of the Warehouse and Marketing Offices of the Company in Australia and U.K., M/s

Eric Townsend & Co., Chartered Accountants, Australia and M/s Layton Lee, Chartered Accountants, U.K., respectively, will expire at the conclusion of the ensuing Annual General Meeting. Board of Directors of your Company is seeking authority to appoint Branch Auditors for the financial year 2020-21.

c. Cost Auditor

In terms of the provisions of Section 148(1) of the Companies Act, 2013, the Company has maintained cost accounts and records in respect of the applicable products for the year ended 31st March 2020.

Pursuant to the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Cost Records and Audit) Rules, 2014, the Board, on the recommendation of the Audit Committee, at its meeting held on 13th August, 2020, has approved the appointment of M/s. Chandra Wadhwa & Co., Cost Accountant, New Delhi (Firm Registration No 00239) as the Cost Auditors for the Company for the financial year ending 31st March 2021. They are the Cost Auditor of the Company for the financial year 2019-20. Ratification of remuneration of the Cost Auditor for the financial year 2020-21 by the shareholders of the Company is being sought at the ensuing Annual General Meeting.

The Report of the Cost Auditor for the financial year ended 31st March 2020 shall be filed with the Ministry of Corporate Affairs within the prescribed period.

d. Secretarial Auditors

M/s Dayal & Maur, Company Secretaries, New Delhi have been appointed as the Secretarial Auditors to carry out the secretarial audit for the year under review. The Secretarial Audit Report for the financial year ended 31st March, 2020 is annexed at Annexure- C.

Annual Report of CSR activities for 2019-20

1. Corporate Social Responsibility

Roto Pumps Ltd is deeply conscious of its moral obligation to act in a manner that benefits the community at large and also the environment in which it operates. It has accordingly integrated CSR initiatives in the way it conducts its business, as a matter of policy, while focusing on inclusivity and sustainability.

The main objective of the Company's CSR policy is to formulate guidelines to undertake various programs/projects relating to corporate social responsibility including establishment of a self-regulating mechanism that ensures that the Company's CSR activities are monitored regularly and are in active compliance with the spirit of the Law as envisaged in Schedule VII read with Section 135 of the Companies Act, 2013 and the listing agreement with the Stock Exchange.

2. The composition of the CSR Committee is as under:

Mrs. Annapurna Dixit, Chairperson of Committee*

Mr. Akhil Joshi, Chairman of the Committee**

Mr. Anurag Gupta, Member of the Committee

Mr. Arvind Veer Gupta, Member of the Committee

During the financial year 2019-20, two meetings of the CSR Committee were held.

*Mrs. Annapurna Dixit Resigned on 22.01.2020

**Mr. Akhil Joshi was appointed as chairman on 10.02.2020

3. Average net profit of the Company for last three financial years :₹ 919.00 lacs

4. Prescribed CSR Expenditure

: ₹ 18.38 lacs

2% percent of the amount as in item 3 above.

5. Details of CSR spent during the financial year:

a) Total amount to be incurred for the financial year : ₹ 18.38 lacs
b) Amount un-spent if any : ₹ 2.76 lacs

c) Manner in which the amount spent during the financial year is detailed below:

SI no.	CSR project or activity identified	Sector in which the project is covered	Projects or programs 1. Local area or other 2. Specify the State and district where projects or programs were undertaken	Amount outlay (budget) project or program wise	Amount spent on the program Sub-heads: (1) Direct expenditure on projects or programs (2) Overheads	Cumulative expending upto the reporting period	Amount spent Direct or through implementing agency
1	Development of Infrastructure facilities in a School.	Education	Other District Zewar, Uttar Pradesh	₹ 5.00 lacs	₹ 5.00 lacs	₹ 5.00 lacs	The Kalptaru Society
2	Renovation of Class Rooms and provision of toilets and drinking water facilities	Education	 Other District Gautam Budh Nagar, Uttar Pradesh 	₹ 2.76 lacs	-	_*	Round Table India Trust
3		Providing relief emergency or distress situation, like posed by the COVID-19	1. Other	₹ 11.00 lacs	₹ 11.00 lacs	₹ 11.00 lacs	Direct contribution to PM CARES Fund
Total		_	_	₹ 18.76 lacs	₹ 16.00 lacs	₹ 16.00 lacs	

6. *Reasons for not spending:

Rs. 2.76 lakhs is committed to Round Table India towards existing project of renovation of Class Rooms and provision of toilets and drinking water facilities in a Government Primary School in village Roja Jalalpur, District Gautam Budh Nagar, Uttar Pradesh, which is situated near by the Greater Noida Unit of the Company. The Company had earlier committed Rs. 11.01 lakhs to the said project towards financial year 2017-18. A plan for the same has been finalized with Round Table India. The same would be executed after obtaining the necessary permissions form the District Administration.

7. The CSR Committee confirms that the implementation and monitoring of the CSR Policy is in Compliance with the CSR objectives and Policy of the Company.

Annexure C to the Board's Report

FORM NO. MR-3 SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To, The Members, Roto Pumps Limited Roto House, Noida Special Economic Zone, Noida, Uttar Pradesh-201301

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Roto Pumps Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Roto Pumps Limited books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on **March 31, 2020** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Roto Pumps Limited for the financial year ended on March 31, 2020 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Overseas Direct Investment;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;

- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 and amendments from time to time;
- (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; (Not applicable to the Company during the audit period)
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the audit period)
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable to the Company during the audit period) and
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not applicable to the Company during the audit period)

We have also verified the compliances of the Company with the other statutes, which are specifically applicable to the Company, as reported by the management thereof, except to the extent the same were in the scope of work of the Statutory Auditors and / or Internal Auditors.

We have also examined compliance with the applicable clauses of the following:

- Secretarial Standards of The Institute of Company Secretaries of India with respect to board and general meetings were specified on 1st July, 2015.
- ii) Depositories Act, 1996
- iii) SEBI LODR (Listing Obligations and Disclosure Requirements) Regulations, 2015

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the observations under the respective statutes as aforementioned.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

This Report is to be read with our letter of even date which is annexed as Annexure A and forms an integral part of this report.

ECONOMIC OVERVIEW

Global economy

The global economy has grown slower at 2.9% during 2019 against projection at 3.2%. The advance economies grew at 1.7% against 1.9% while emerging markets and developing countries grown at 3.7% against projections of 4.1%. Coupled with this slow growth, the COVID19 pandemic has widely impacted economic activities across the Globe. The Global economy, which has grown lower than expected in 2019, is expected to grow -4.9% in 2020 and 5.4% in 2021. Advance economies are projected to grow at -8.0% while emerging markets and developing economies are projected at 3.0% in 2020. In 2021, emerging markets and developing countries are expected at recover fast and projected to grow at 5.9% while advance countries growth is projected at 4.8%. Source: International Monetary Fund, June 2020

Indian economy

COVID19 pandemic posed unprecedented challenges to the economic activities. Intense lockdown started from 22nd March, 2020 as public curfew day and later formal announcement of lockdown. All the economic activities except few essential services were came to abrupt halt. Suddenly, all were forced to lead a life in a new normal way.

Growth of the Indian economy slowed down in 2019-20 to 4.2% against 6.1% 2018-19. It is lowest growth in last eleven years and has an impact of a week's lockdown in March. Due to sever lockdown conditions in first quarter, economy would take sever beating during the first quarter and the year would in negative growth zone.

The Government of India has taken several initiatives and counter measures to boost the economy towards 'Atma Nirbhar Bharat Abhiyan' like new definition for micro, small and medium enterprises (MSMEs), ease in credit to MSMEs, vocal for local and reservation of certain items for Defence Establishment to domestic industry. These would certainly provide some ease to the business in these difficult times.

Industry overview

The global market of pumps in 2018 was almost 50 Billon USD even though some reports estimated pumps market to be more than 50 Billion USD. Between 2019 and 2029, the pumps industry is estimated to grow at a CAGR of 4% to become 74 Billion USD by 2029.

The market for positive displacement pumps has grown to occupy more than 25% of total pump market share and is continuing to gain its market share. Merger and acquisitions by Key players shall continue owing to the fragmented nature of pumps market to keep themselves ahead of the pack.

Indian pumps Industry is a significant contributor to country's growth due to role of pumps as primary equipment. Pumps segment registered a rapid growth in the last few years mainly due to depleting ground water levels, rapid urbanization and various initiatives with the aim of improving infrastructure. The Industry grew @ 10% in FY 2019. India produced around 4.5 million pumps

as per IPMA with revenue touching Rs. 200 Billion. The segment has about 800 companies with export to more than 100 countries, prominent countries include China, Germany, US, Japan and Italy.

The market remains highly fragmented with presence of few big companies and large number of small and mid-sized companies. The focus of the industry is on energy efficient products. The way forward provides immense growth opportunities for pumps manufacturers given the Government's increased focus on water management Make in India initiative and renewed push to infrastructure sector. With India's minuscule base of 3-5% of global pumps market, the opportunities of growth are huge and the industry is forecasted to grow in excess of 10-15 % in the next five years.

However, both Domestic and International Markets are badly affected by COVID19 pandemic, which would have lasting impact on Global Industry.

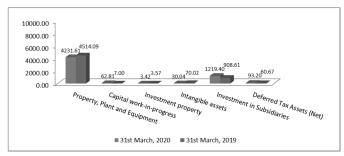

FINANCIAL STATEMENTS

The Financial Statements of your Company have been prepared in compliance with the requirement of the Companies Act, 2013 and the applicable new Indian Accounting Standards (Ind-AS) notified by the Ministry of Corporate Affairs. There is no material departure from the prescribed accounting standards in adoption of the accounting standards. The Management of Roto accepts responsibility for the integrity and objectivity of these financial statements, as well as for various estimates, provisions and judgments used therein, which have been made on prudent and rational basis in order that the same reflect a true and fair view of the affairs of your Company.

HEALTH, SAFETY AND ENVIRONMENT

Your Company has been following policy for continuously improving health and safety standards and also preservation of environment. During the year, your Company has taken various initiatives and continues to comply with Occupational Health & Safety Management System Standards OHSAS 18001: 2007 and Environment Management System ISO 14001:2004.

OPPORTUNITIES AND THREATS

Opportunities

Commencement of operations by German subsidiary and new Subsidiary in Malaysia would enhance Company's footprints in respective regions and provide increased business opportunities. These alongwith Overseas Marketing Branch Offices in Australia and United Kingdom and other Overseas Subsidiaries in US and South Africa, over the period years have formed an appropriate operational base and with a stronger team in place are going to be key growth centers for the Company.

Focus on navy, coastguards and renewable energy such as bio gas would also provide tremendous opportunities. Government's initiatives under Atma Nirbhar Bharat Abhiyan viz. vocal for local, disallowing global tenders in procurements upto 200 crores, amendment in definition of micro, small and medium enterprises (MSMEs), reservation of certain products for Defence Establishments to domestic suppliers and other regulatory changes would also provide increased business opportunities

Threats

Markets across the Globe are badly affected by COVID19 pandemic. This would also lead to intense competition among the players for the reduced business opportunities. Escalation of tension in Asian and Gulf region pose a further threat to economies.

RISK AND CONCERNS

There is going to be continued pressure on margins due to increase in input costs on the one hand and lower prices due to competition on the other. Majority of revenue of your Company comes from Export, exchange rate fluctuations are a major concern. Any adverse economic development in Company's focus markets would affect business of the Company.

Due to COVID19 pandemic, there would be decline in demand in both domestic and international markets. However, effect of COVID19 would vary from Country to Country. Due to diversified market in various Countries, business of your Company may have lower effects on account of COVID19 pandemic.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has an adequate system of internal controls implemented by the management towards achieving higher efficiency in all areas of operations. These controls have been designed to provide a reasonable assurance with regard to maintenance of proper accounting controls, monitoring of operations, protecting assets from unauthorized use or losses, compliance with regulations and for ensuring reliability of financial reporting.

Your Company has initiated adoption of SAP software to strengthen its controls and processes, which was planned to put in use from the beginning of the current year, is slated to put the same in place from the beginning of the third quarter of the current financial year. This would allow integration of multiple locations on one platform and substantially improve overall efficiency of the organization.

The Audit Committee of the Board of Directors regularly reviews the adequacy of internal controls and takes necessary corrective actions wherever required.

RESEARCH & DEVELOPMENT

Research & Development Centre of your Company has been recognized by the Department of Scientific & Industrial Research, Ministry of Science & Technology, Government of India vide their letter no. F. No. TU/IV-RD/4371/2018 dated October 12, 2018. During the year, your company has incurred an amount of ₹ 308.68 lakhs towards revenue expenses and ₹ 43.54 lakhs towards capital expenditure totaling to ₹ 352.22 lakhs, which constitutes 2.89% of the Revenue from operations of the Company. Previous year, it was ₹ 219.10 lakhs and ₹ 27.48 lakhs towards revenue expenses and capital expenses, respectively, totaling to ₹ 246.58 lakhs, which constituted 1.93% of the revenue from operation of the Company.

HUMAN RESOURCES & INDUSTRIAL RELATIONS

We believe that in order to sustain growth under competitive conditions, the Human Capital of the Company should have high level of motivation and knowledge. The Company continues to focus and invest in human resources development to provide an open work culture and rewarding career opportunities to all its employees. During the year, your Company's HR division successfully recruited 48 people (replacements as well as new joining) in response to various business needs. Manpower strength as on 31.03.2019 was 350.

The overall employee relations were peaceful and harmonious throughout the year. The Company continued to create conducive work environment with opportunities for growth and learning, by implementing robust and comprehensive HR policies.

In order to support higher professional education of children of employees in staff and worker category, your Company had introduced **Shri RR Gupta Memorial Scholarship** during 2018-19. Under the scholarship, an amount of ₹ 1.00 lakh is granted to a student and paid over the tenure of the professional course in equal annual instalments upto five students. During the year, four students have been paid such scholarship.

FUTURE OUTLOOK

Your Company had envisaged a CAGR of 20% over a medium term. This needs to be re-calibrated due to COVID19 pandemic. During the current year, your Company's focus is to improve the operating Your Company has a strong manufacturing and marketing infrastructure with presence in five continents. Company's focus on R&D activities along with an experienced and motivated manpower will lead the Company to make inroads in major global markets and derive growth from the domestic market as well.

Roto Brand has seen tremendous acceptance in the market over last 5 years and the company is amongst Top 10 manufacturers of progressive cavity pumps globally. Strong marketing initiative should enable the company to improve its position to become a prominent Progressive Cavity pumps manufacturer figuring in top 5 and a major positive displacement pump player.

Your company is also looking for Inorganic opportunities in related products to strengthen its position in major positive displacement pump market and to contribute significantly to growth of the company going forward.

efficiency and profit margins although there would be some decline in topline. Implementation of SAP software, cost cutting and efficient inventory management are some of the steps are being adopted in this direction.

CAUTIONARY STATEMENT

Statements in the Management Discussion Analysis describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities law and regulations. Actual results may differ from those expressed in the statement. Important factors that could influence the Company's operations include changes in Government regulations, tax laws, economic development within and outside the Country and such other factors.

For and on behalf of the Board of Directors Harish Chandra Gupta

Chairman & Managing Director DIN: 00334405

To the Members of Roto Pumps Limited

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of **Roto Pumps Limited** ("the Company"), which comprise the Balance sheet as at March 31 2020, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information which are included the returns for the year ended on that date audited by the branch auditors of the Company's branches located at **Australia and United Kingdom**.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the branches the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit/loss including other comprehensive income its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Emphasis of Matter

We draw attention to Note 49 to the standalone financial statements, which describes the uncertainties arising due to COVID-19 pandemic on the Company's operations and estimates as assessed by the management. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in

forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no other key audit matters to communicate in our report.

Other Information or another title if appropriate, such as "Information Other than the Financial Statements and Auditor's Report Thereon"

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the [Standalone] Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with [the Companies (Indian Accounting Standards) Rules, 2015, as amended]. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit

and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

We did not audit the financial statements and other financial information of Two branches included in the accompanying standalone Ind AS financial statements of the Company whose financial statements and other financial information reflect total assets of Rs. 2543.88 lakhs as at March 31, 2020 and the total revenues of Rs. 5029.09 lakhs for the year ended on that date, as considered in the financial statements/information of these branches have been audited by the branch auditors whose reports have been furnished to us by management, and our opinion in so far as it relates to the amounts and disclosures included in respect of branches, is based solely on the report of such branch auditors. Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of the branches, as noted in the 'Other Matter' paragraph] we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us;
 - (c) The reports on the accounts of the branch offices of the Company audited under Section 143(8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report;
 - (d) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account and with the returns received from the branches not visited by us;
 - (e) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with

- Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (f) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
- (h) In our opinion, the managerial remuneration for the year ended March 31, 2020 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements – Refer Note No. 35.1 to the standalone Ind AS financial statements:
- The Group did not have any material foreseeable losses in long-term contracts including derivative contracts during the year ended March 31, 2020;
- There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of ROTO PUMPS LIMITED of even date)

- i. In respect of the Company's fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land and building that have been taken on lease and disclosed as fixed assets in the standalone financial statements, the lease agreements are in the name of the Company.
- ii. In respect of the Inventories:-

- (a) The management has conducted the physical verification of inventory at reasonable intervals.
- (b) The discrepancies noticed on physical verification of the inventory as compared to books records which has been properly dealt with in the books of account were not material.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (C) of the Order are not applicable to the Company and hence not commented upon.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2020 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Companies Act, 2013 and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however ,made a detailed examination of records with a view to determine whether they are accurate or complete.

- vii. According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Value Added Tax, Goods and Service Tax, Customs Duty, Excise Duty, Cess and other material statutory dues in arrears as at March 31, 2020 for a period of more than six months from the date they became payable.
 - (c) Details of dues of Income Tax, Sales Tax, Service Tax, Excise Duty and Value Added Tax which have not been deposited as at March 31, 2020 on account of dispute are given below:

S. No	Name of Statute	the	Nature of Dues	Forum where Disputes is pending	Amount (In Lacs)
1.	UP VAT	Act,	Sales Tax	Add.	163.17
	2008		(Central)	Commissioner - II,	
				Appeal -3, Noida	

- viii. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks. The Company has not taken any loan either from financial institutions or from the government and has not issued any debentures
- ix. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3 (ix) of the Order is not applicable to the Company.
- x. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations given to us, the Company has

paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.

xii. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.

xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

xiv. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.

xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

xv. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **ROTO PUMPS LIMITED** of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ROTO PUMPS LIMITED** ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:-

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

Company Overview

Roto Pumps Limited referred to as "RPL" or "the Company" was incorporated on 31st July 1975. RPL is an enterprise listed on the BSE Ltd. The company is engaged in manufacturing of screw pumps and parts of pumps. The Company's products include progressive cavity pumps (PCP), twin screw pumps (TSP) and retrofit parts. The Company's products serve a cross section of industries including infrastructure, oil and gas, power, mining, paper and pulp which form critical part of the economy.

1. Statement of Significant Accounting Policies

Basis of Preparation: The Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Acts and Rules thereunder.

The Financial Statements have been prepared under historical cost convention basis, except for certain assets and liabilities measured at fair value.

The Company has adopted all the Ind AS and the adoption was carried out in accordance with Ind AS 101 'First Time Adoption of Indian Accounting Standards'. The transition was carried out from Generally Accepted Accounting Principles in India (Indian GAAP) as prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, which was the "Previous GAAP".

The Company's presentation and functional currency is Indian Rupees (Rs). All figures appearing in the financial statements are shown in absolute figures.

Authorization of Financial Statements: The financial statements were authorized for issue in accordance with a resolution of the Board of Directors in its meeting held on 27th June, 2020.

1.1. Use of Judgement and Estimates

The preparation of Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amounts of revenue, expenses, assets, liabilities and the accompanying disclosures along with Contingent Liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying amount of assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information.

In particular, information about significant areas of estimates and judgements in applying accounting policies that have the most significant areas of estimates and judgements in applying accounting policies that have the most significant effect on the financial statements are as below:

- Financial Instruments;
- Estimates of useful lives and residual value of Property,
 Plant and Equipment and Intangible Assets;
- Valuation of Inventories;

- Measurement of Defined Benefit Obligations and actuarial assumptions;
- Provisions;
- Evaluation of recoverability of Deferred tax assets; and
- Contingencies

Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods in which the estimates are revised and in any future periods affected.

1.2. Property, Plant and Equipment

- 1.2.1. Property, plant and equipment are stated at cost net of accumulated depreciation and accumulated impairment losses, if any.
- 1.2.2. The initial cost of an asset comprises its purchase price (including non-refundable import duties and taxes), any costs directly attributable to bringing the asset at the location and condition necessary for it to be capable of operating in the manner intended by the management, the initial estimate of any decommissioning obligation, if any, and borrowing cost for qualifying assets (i.e. assets that necessarily take a substantial period of time to get ready for their intended use).
- 1.2.3. Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company over the period.
- 1.2.4. Spare parts which meet the definition of Property, plant and equipment are capitalized as Property, plant and equipment in case the unit value of spare part is above the threshold limit. In other cases, the spare parts are inventoried on procurement and charged to Statement of Profit and Loss on consumption.
- 1.2.5. An item of Property, plant and equipment and any significant part initially recognized separately as part of Property, plant and equipment is de-recognized upon disposal; or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the assets is included in the Statement of Profit and Loss.
- 1.2.6. The residual value and useful lives of Property, plant and equipment are reviewed at each financial year end and changes, if any, are accounted in line with the revisions to accounting estimates.
- 1.2.7. The Company has elected to use exemption available under Ind AS 101 to continue with the carrying value for all its Property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per previous GAAP and use that as its deemed cost as at the date of transition (1st April, 2016).

1.3. Depreciation

Depreciation on Property, plant and equipment are provided on the Written down value, over the estimated useful lives of the assets (after retaining the estimated residual value of up-to 5%). These useful lives are determined are in line with the useful lives as prescribed in the Schedule III of the Act.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

- 1.3.1. Components of the main assets that are significant in value and have different useful lives as compared to the main asset are depreciated over their estimated useful life. Useful life of such components has been assessed based on historical experience and internal technical assessment.
- 1.3.2. Depreciation on Spare parts specific to an item of Property, plant and equipment is based on life of the related Property, plant and equipment. In other cases, the spare parts are depreciated over their estimated useful life based on the technical assessment.
- 1.3.3. Items of Property, plant and equipment costing not more than the threshold limit are depreciated at 100% in the year of acquisition.
- 1.3.4. Depreciation is charged on additions/ deletions on pro-rata basis from the date of addition/deletion.

1.4. Intangible Assets

- 1.4.1. Intangible Assets are carried at cost net of accumulated amortization and accumulated impairment losses, if any. Expenditure on internally generated intangibles, excluding development costs, are not capitalized and is reflected in the Statement of Profit and Loss in the period in which the expenditure is incurred. Development costs are capitalized if, and only if, technical and commercial feasibility of the project is demonstrated, future economic benefits are probable, the Company has an intention and ability to complete and use or sell the asset and the costs can be measured reliably.
- 1.4.2. Intangible assets with indefinite useful lives, such as right of way which is perpetual and absolute in nature, are not amortized, but are tested for impairment annually. The useful lives are reviewed at each period to determine whether events and circumstances continue to support an indefinite useful life assessment for that asset. If not, the change in useful life from indefinite to finite is made on a prospective basis. The impairment losses on intangible assets with indefinite useful life are recognized in the Statement of Profit and Loss.
- 1.4.3. Expenditure incurred for creating/ acquiring other intangible assets above the threshold limit from which future economic benefits will flow over a period of time, is amortized over the estimated useful life of the asset or ten years, whichever is lower, on a straight line basis, from the time the intangible asset starts providing the economic benefit. In other cases, the expenditure is reflected in the Statement of Profit and Loss in the year in which the expenditure is incurred. The amortization period and the amortization method for an intangible asset with finite life are reviewed at each year end. The amortization expense on intangible assets with finite useful lives and impairment losses in case there is an indication that the intangible asset may be impaired, are recognized in the Statement of Profit and Loss.
- 1.4.4. The Company has elected to use the exemption available under Ind AS 101 to continue the carrying value for all its intangible assets as recognized in the financial statements as at the date of transition to Ind AS, measured as per previous GAAP and use that as its deemed cost as at the date of transition (1st April, 2016).

1.5. Investment Property

- 1.5.1. Investment Property is property (land or a building or part of a building or both) held either to earn rental income or for capital appreciation or both, held for currently undetermined future use, but not for sale in the ordinary course of business, use in production or supply of goods or services or for administrative purposes. Investment Properties are stated at cost net of accumulated depreciation and accumulated impairment losses, if any.
- 1.5.2. Any gain or loss on disposal of investment property calculated as the difference between the net proceeds from disposal and carrying amount of the Investment Property is recognized in Statement of Profit and Loss.
- 1.5.3. On transition to Ind AS i.e. 1st April, 2016, the Company has re-classified certain items from Property, plant and equipment to investment property. For the same, Company has elected to use the exemption available under Ind AS 101 to continue carrying value for such assets as recognized in the financial statements as at the date of transition to Ind AS, measured as per previous GAAP and use that as its deemed cost as at date of transition (1st April, 2016).

1.6. Borrowing Costs

- 1.6.1. Borrowing cost consists of interest and other costs incurred in connection with the borrowing of funds.
- 1.6.2. Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets. All other borrowings costs are charged to the Statement of Profit and Loss.
- 1.6.3. Investment income earned on the temporary investment of funds of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

1.7. Non-current assets held for sale

- 1.7.1. Non-current assets classified as held for sale if their carrying amounts will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such assets
- 1.7.2. Non-current assets classified as held for sale are measured at lower of carrying amount and fair value less costs to sell.
- 1.7.3. Property, plant and equipment and intangible assets classified as held for sale are not depreciated or amortized.

1.8. Leases

1.8.1. Finance Lease

Lease Agreements are classified as finance lease, if substantially all the risks and rewards irrespective of whether title is transferred.

Land lease agreements classified as finance lease, are amortized over the period of the lease.

1.8.2. Operating Lease

Lease agreements not classified as finance lease are considered as operating lease.

Payments made under operating lease are recognized in Statement of Profit and Loss with reference to lease terms and other relevant considerations. Lease incentives

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

received/ lease premium paid (if any) are recognized as an integral part of the total lease expense, over the term of the lease. Payments made under Operating Leases are generally recognized in Statement of Profit and Loss on a straight line basis over the term of the lease, unless such payments are structured to increase in line with expected general inflation.

1.8.3. Determining whether the arrangement contains a lease

At the inception of an arrangement, the Company determines whether the arrangement is or contains a lease. At inception or on reassessment of an arrangement that contains a lease, the Company separates payments and other consideration required by the arrangement into those for the lease and those other elements on the basis of their relative fair values. In case of a finance lease, if the company concludes that it is impracticable to separate the payments reliably, then an asset and a liability are recognized at an equal to the fair value of the underlying assets; subsequently, the liability is reduced as payments are made and an imputed finance cost on the liability is recognized using the Company's incremental borrowing rate.

1.9. Impairment of Non-financial assets

- 1.9.1. Non-financial assets other than inventories, deferred tax assets and non-current assets classified as held for sale are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. The recoverable amount is higher of the assets or Cash-Generating Units (CGUs) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.
- 1.9.2. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

1.10. Inventories

- 1.10.1. Inventories are stated at cost or net realizable value, whichever is lower. Cost of inventories comprises of expenditure incurred in the normal course of business in bringing inventories to their present location including appropriate overheads apportioned on a reasonable and consistent basis and are determined on the following basis:
 - Raw materials, work in progress, stores, tools and other materials are determined on First in First out basis.
 - Finished goods are determined by considering the standard conversion cost.
- 1.10.2. Customs duties on raw materials/ finished goods lying in bonded warehouse are provided for at the applicable rates except where liability to pay duty is transferred to the consignee.
- 1.10.3. Excise duty till 30th June, 2017, on finished stocks lying at manufacturing locations is provided for at the assessable value applicable at each of the locations based on end use.
- 1.10.4. Raw materials held for use in the production of finished goods are not written down below cost except in cases

where raw material prices have declined and it is estimated that the cost of the finished goods will exceed their net realizable value.

1.10.5. Obsolete, slow moving, surplus and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for such stocks.

1.11. Revenue Recognition

1.11.1. Sale of Goods

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership of goods have been passed to the buyer, the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold, revenue and the associated costs can be estimated reliably and it is probable that economic benefits associated with the transaction will flow to the Company.

Revenue from sale of goods includes excise duty till 30th June, 2017 and is measured at fair value of the consideration received or receivable (after including fair value allocations related to multiple deliverable and/or linked arrangements), net of returns, taxes or duties collected on behalf of the government and applicable trade discounts or rebates.

Where the Company acts as an agent on behalf of a third party, the associated income is recognized on net basis.

1.11.2. Sale of Services

Income from services rendered is recognized based on agreements/ arrangements with the customers as the service is performed in proportion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably.

1.11.3. Multiple Element Contracts

For revenue arrangements having more than one deliverable, at the inception of the arrangement, the Company evaluates all deliverables in the arrangement to determine whether they represent separately identifiable components of the following two conditions are met:

- The deliverable has value to the customer on a standalone basis and
- There is evidence of the fair value of the item.

The total arrangement consideration is allocated to each separate component based on its relative fair value.

1.11.4. Interest and Dividend Income

Interest income is recognized using Effective Interest Rate (EIR) method.

Dividend is recognized when right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be measured reliably.

- 1.11.5. Income from sale of scrap is accounted on billing basis and customer takes title.
- 1.11.6. The benefit under the Merchandise Exports from India Scheme (MEIS) as per the Export and Import Policy in respect of exports made under the said Schemes is accounted on an Lodgment of Claim filed and is included under the head "Other Income" as 'Export Incentives'.

1.12. Classification of Income/ Expense

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

- 1.12.1. Income/ Expenditure (net) in aggregate pertaining to prior year (s) above the threshold limit are corrected retrospectively in the first set of financial statements approved for issue after their discovery by restating the comparative amount and/ or restating the opening Balance sheet for the earliest prior period presented.
- 1.12.2. Prepaid expenses up-to threshold limit in each case, are charged to revenue over the period.
- 1.12.3. Deposits places with Government agencies/ local authorities which are perpetual in nature are charged to revenue in the year of payment.

1.13. Employee Benefits

1.13.1. Short-term employee benefits

Short-term employee benefits are recognized as an expense at an undiscounted premium in the Statement of Profit and Loss of the year ended in which related services are rendered.

$1.13.2. \ \textbf{Post-Employment Benefits}$

Defined Contribution Plans:

Obligations for contributions to defined contribution plans such as pension are recognized as an expense in the Statement of Profit and Loss as the related service is provided. Prepaid contributions are recognized as an asset to the extent that cash fund in future payments is available.

Defined Benefit Plans:

The Company's net obligation in respect of defined benefit plans such as gratuity, other post-employment benefits etc., is calculated separately for each plan by estimating the amount of future benefit that the employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed at each reporting period end by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognized asset is limited to the present value of the economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan.

The current service cost of the defined benefit plan, recognized in the Statement of Profit and Loss as part of employee benefit expense, reflects the increase in the defined benefit obligation resulting from employee service in the current year, benefit changes, curtailments and settlements. Past service costs are recognized immediately in the Statement of Profit and Loss. The net interest is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This net interest is included in employee benefit expense in the Statement of Profit and Loss.

Re-measurements which comprise of actuarial gains and losses, the return on plan assets (excluding amounts included in the net interest on net defined benefit liability (asset)) and the effect of the asset ceiling (if any, excluding amounts included in the net interest on the net defined benefit liability (asset)), are recognized in other comprehensive income.

1.13.3. Other long-term employee benefits

Liability towards other long term employee benefits – leave encashment and long service awards etc., are determined on actuarial valuation by qualified actuary by using Projected Unit Credit Method.

The current service cost of other long terms employee benefits, recognized in the Statement of Profit and Loss as part of employee benefit expense, reflects the increase in the obligation resulting from employee service in the current year, benefit changes, curtailments and settlements. Past service costs are recognized immediately in the Statement of Profit and Loss. The interest cost is calculated by applying the discount rate to the balance of the obligation. This cost is included in employee benefit expense in the Statement of Profit and Loss. Remeasurements are recognized in the Statement of Profit and Loss.

1.13.4. Termination benefits

Expenditures on account of Voluntary Retirement Scheme are charged to Statement of Profit and Loss.

1.14. Foreign Currency Transactions

1.14.1. Monetary Items

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at exchange rates prevailing on the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in the Statement of Profit and Loss either as profit or loss foreign currency transaction and translation.

The Company has elected to continue the policy adopted under previous GAAP for accounting the foreign exchange differences arising on settlement or translation of long-term foreign currency monetary items outstanding as on 31st March, 2018.

1.14.2. Non-monetary items

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

1.14.3. Foreign Branch Operation's Translations

The activities of foreign branches are an integral part of operations of the Company and hence the foreign branch financial statements are translated in accordance with accounting standard.

Income and Expenditure items by applying to the foreign currency amount, the exchange rate at the date of transaction. The rate used is an average rate for calendar month and used for all transaction occurring during that calendar month.

Property, plant and equipment are recorded at the exchange rate prevailing on the date of the transaction.

Depreciation on property, plant and equipment in Indian rupees, which are reported using the exchange rate at the date of transaction.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

Inventories related to stocks transfer from reporting enterprise are shown at the cost of reporting enterprises plus expenses incurred to bring the material at the shelf of foreign branch's warehouse and local bought out inventories are translated at the exchange rate prevailing at year end.

Other current assets and liabilities are converted at the exchange rate prevailing at the year end.

The exchange difference on translation of Foreign Branch financial statements are recognized in the Statement of Profit and Loss.

1.15. Investment in Subsidiaries, Joint Ventures and Associates Investments in equity shares of Subsidiaries, Joint Ventures and Associates are recorded at cost and reviewed for impairment at each reporting date.

1.16. Government Grants

- 1.16.1. Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.
- 1.16.2. When the grant relates to an expense item, it is recognized in Statement of Profit and Loss on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.
- 1.16.3. Government grants relating for Property, plant and equipment are presented as deferred income and are credited to the Statement of Profit and Loss on a systematic and rational basis over the useful life of the asset.

1.17. Provisions, Contingent Liabilities and Commitments

- 1.17.1. Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.
- 1.17.2. The expenses relating to a provision is presented in the Statement of Profit and Loss net of reimbursements, if any.
- 1.17.3. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in provision due to the passage of time is recognized as a finance cost.
- 1.17.4. Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability.
- 1.17.5. Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.

1.18. Fair Value Measurement

- 1.18.1. The Company measures certain financial instruments at fair value at each reporting date.
- 1.18.2. Certain accounting policies and disclosures require the measurement of fair values, for both financial and nonfinancial assets and liabilities.
- 1.18.3. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction

between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of the liability also reflects its non-performance risk.

- 1.18.4. The best estimate of the fair value of a financial instrument on initial recognition is normally the transaction price – i.e. the fair value of the consideration given or received. If the Company determines that the fair value on initial recognition differs from the transaction price and the fair value is evidenced neither by quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently that difference is recognized in Statement of Profit and Loss on an appropriate basis over the life of the instrument but no later than when the valuation is wholly supported by observable market data or the transaction is closed out.
- 1.18.5. While measuring the fair value of an asset or liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation technique as follows:
- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 Inputs other than quoted prices included in Level 1 that are observable for assets or liabilities, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3 inputs for the assets or liability that are not based on observable market data (unobservable inputs)
- 1.18.6. When quoted prices in active market for an instrument are available, the Company measures the fair value of the instrument using that price. A market is regarded as active if transactions for the asset and liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.
- 1.18.7. If there is no quoted price in an active market for an instrument is available, the Company measures the fair value of the instrument using that price. A market is regarded as active if transactions for the asset and liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.
- 1.18.8. The Company regularly reviews significant unobservable inputs and valuation adjustments. If the third party information, such as broker quotes or pricing services, is used to measure fair values, then the Company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

1.19. Financial Assets

1.19.1. Initial Recognition and measurement

Trade receivables and debt securities issued are initially recognized when they are originated. All other financial assets are initially recognized at fair value when the Company becomes a party to the contractually provisions of

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

the instrument. All financial assets other than those measured subsequently at fair value through profit and loss, are recognized initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

1.19.2. Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. Based on the business model for managing the financial assets and the contractual cash flow characteristics of the financial assets, the Company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit and loss.

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

The asset held within business model whose objective is:

- To hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium or fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

<u>Debt instruments at Fair value through Other</u> <u>Comprehensive Income (FVOCI)</u>

A 'debt instrument' is measured at the fair value through other comprehensive income if both the following conditions are met:

The asset is held within business model whose objective is achieved by both

- Collecting contractual cash flows and selling financial assets and
- Contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment losses are recognized in the Statement of Profit and Loss. Other net gains and losses are recognized in other comprehensive income.

<u>Debt instruments at Fair value through Profit and Loss</u> (FVTPL)

Fair Value through Profit or Loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization at amortized cost or as FVOCI, is classified as FVTPL.

After initial measurement, any fair value changes including any interest income, foreign exchange gain and losses, impairment losses and other net gains and losses are recognized in the Statement of Profit and Loss.

Equity Investments

All equity investments within the scope of Ind AS 109 are measured at fair value. Such equity instruments which are held for trading are classified as FVTPL. For all other such equity instruments, the Company decides to classify the same either as FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVOCI, all fair value changes on the instrument, excluding dividends, are recognized in Other Comprehensive Income (OCI). Dividends on such equity instruments are recognized in the Statement of Profit or Loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

1.19.3. De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognized (i.e. removed from the Company's Balance Sheet) when

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:

- The Company has transferred substantially all the risks and rewards of the asset, or
- The Company has neither transferred not retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all debt instruments (other than debt instruments measured at FVOCI) and equity instruments (measured at FVTPL) are recognized in the Statement of Profit and Loss. Gains and losses in respect of debt instruments are measured at FVOCI and that are accumulated in OCI are reclassified to profit or loss on de-recognition. Gains or losses on equity instruments measured at FVOCI that are recognized and accumulated in OCI are not reclassified to profit or loss on de-recognition.

1.19.4. Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortized cost and debt instruments measured at FVOCI.

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. In respect of other financial assets such as debt securities and bank balances, the loss allowance is measured at 12 month ECL only if

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

there is no significant deterioration in the credit risk since initial recognition of the asset or asset is determined to have a low credit risk at the reporting date.

1.20. Financial Liabilities

1.20.1. Initial recognition and measurement

Financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument.

Financial liability is initially measured at fair value less, for an item not at fair value through profit and loss, transaction costs that are directly attributable to its acquisition or issue.

1.20.2. Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities.

<u>Financial liabilities at Fair value through Profit and Loss</u> (FVTPL)

A financial liability is classified as at Fair Value through Profit or Loss (FVTPL) if it is classified as held-for-trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognized in Statement of Profit and Loss.

Financial liabilities at Amortized Cost

After initial recognition, financial liabilities other than those which are classified as FVTPL are subsequently measured at amortized cost using the effective interest rate ("EIR") method.

Amortized cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The amortization done using the EIR method is included as finance costs in the Statement of Profit and Loss.

1.20.3. De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

1.21. Financial Guarantees

Financial guarantee contracts issued by the Company are those contracts that will require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of the debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the fair value initially recognized less cumulative amortization.

1.22. Derivative financial instruments

The Company uses derivative financial instruments to manage the exposure on account of fluctuation in interest rate and foreign exchange rates. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently measured at fair value with the changes being recognized in the Statement of Profit and Loss. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

1.23. Embedded Derivatives

If the hybrid contract contains a host that is a financial asset within the scope of Ind AS 109, the classification requirements contained in Ind AS 109 are applied to the entire hybrid contract. Derivatives embedded in all other host contracts, including financial liabilities are accounted for as separate derivatives and recorded at fair value if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not held for trading or designated at fair value through profit and loss. These embedded derivatives are measured at fair value with changes in fair value recognized in Statement of Profit and Loss, unless designated as effective hedging instruments. Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows.

1.24. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

1.25. Taxes on Income

1.25.1. Current Tax

Income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to complete the amount are those that are enacted or substantively enacted, by the end of the reporting period.

Current tax items are recognized in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

1.25.2. Deferred Tax

Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred Tax items are recognized in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

1.26. Earnings per Share

- 1.26.1. Basic earnings per share are calculated by dividing the profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.
- 1.26.2. For the purpose of calculating diluted earnings per share, the profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period is adjusted for the effect of all dilutive potential equity shares.

1.27. Classification of Assets and Liabilities as Current and Noncurrent

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle (determined at 12 months) and other criteria set out in Schedule III of the Act.

1.28. Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet include cash at bank, cash, cheque, draft on hand, which are subject to an insignificant risk of changes in value.

For the purpose of Statement of Cash Flows, Cash and cash equivalents include cash at bank, cash, cheque, draft on hand and Bank balances other than cash and cash equivalents include Earmarked balances with bank and Term deposits.

1.29. Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

The Company has adopted the following materiality threshold limits in the preparation and presentation of financial statements as given below:

Threshold Item (1)	Accounting Policy Ref (2)	Threshold limit value (3)
Processing fees (including stamp duty) on Loan amount sanction for calculation of Effective Interest Rate (EIR) method.	Written off as expenses over the Loan Repayment Tenure by using the Effective Interest Rate Method.	More than 1% of the loan amount excluding taxes.
Capitalization of spare parts meeting the definition of Property, Plant and Equipment in each case	The Expenditure treated as revenue expenditure and charged to current year Profit & loss Account. Capital Expenditure:- Capitalized	1.All Assets in relation to Property , Plant & Equipment below Rs 5,000/-(Five Thousand Only) In Case of Plant & Machinery 2. On Technical Decision Capital and Revenue nature is bifurcated.
	Revenue Expenditure: - Treated in current Statement of Profit and Loss	2.1) Assets is defined as Capital Expenditure, when the expenditure enhances the revenue generating capacity of the assets so that useful life is extended. 2.2) Not Covered in point no 2.1 above, is treated as Revenue expenditure.
Income / expenditure (net) pertaining to prior year(s).	Below the Threshold limit value, it is treated as an expense in the Statement of Profit and Loss in Current Year.,	Rs.50,000/-(Fifty Thousand Only)
Provision for expenses payable & Prepaid Expenses	Provision for Expenses Payable is made for the amount above Threshold Limit. Bifurcation of Expenditure into Prepaid /Postpaid is made above the Threshold Limit.	Rs.10,000/-(Rupees Ten Thousand Only)
Fair valuation of Interest free Loan given to Employees.	Fair valuation is done for Interest free loan given to Employee above the threshold limit defined in Column No (3).	More than Rs.750000/- per employee.
Provision against Warranty Claim	Provision is made against warranty on the reporting date as per the threshold policy.	Average of past three years.

FVTPL :- Fair Value through Profit & Loss A/c.

FVTOCI :- Fair Value through Other Comprehensive Income

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with those used for the year ended 31st March, 2019.

The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. In the case of Derivative contracts, the Company has valued the same using the forward exchange rate AS AT the reporting date.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

b) 'Calculation of fair values:

- i) Financial assets and liabilities measured at fair value AS AT Balance Sheet date:
 - The fair values of the derivative financial instruments has been determined using valuation techniques with market observable inputs. The models incorporate various inputs including the credit quality of counter-parties and foreign exchange forward rates.
- ii) Other financial assets and liabilities:-
 - -Cash and cash equivalents, trade receivables, other financial assets (except derivative financial instruments), trade payables, and other financial liabilities (except derivative financial instruments) have fair values that approximate to their carrying amounts due to their short-term nature.
 - -Loans have fair values that approximate to their carrying amounts as it is based on the net present value of the anticipated future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.

39 Financial Risk Management

Risk Management framework and policies

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company has constituted a Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

The Company has exposure to the following risks arising from financial instruments:

- A) Credit Risk
- B) Liquidity Risk
- C) Market Risk
- D) Interest Rate Risk

The table below explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact in the financial statements:-

Risk	Exposure arising from	Measurement	Management
Credit Risk	Trade receivables, cash and cash	Credit ratings Ageing	No of overdue days
	equivalents and derivative financial	Analysis	
	instruments		
Liquidity Risk	Other liabilities	Maturity Analysis	Maintaining sufficient cash/ cash equivalents and marketable securities.
Market Risk -	Highly probable forecast transactions and	Sensitivity Analysis	Forward foreign exchange contracts
Foreign	financial assets and liabilities not		
Exchange	denominated in INR		

A) Credit Risk

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the Company. Credit Risk arises from credit exposures from customers, cash and cash equivalent with banks, security deposits and loans.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer and including the default risk of the industry, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company uses an allowance matrix to measure the expected credit losses of trade receivables. The loss rates are computed using a 'roll rate' method based on the probability of receivable progressing through successive stages of delinquency to write off.

The following table provides information about the exposure to credit risk and ECLs for trade receivables:

Ageing of Trade Receivables

Particulars	AS AT 31st March 2020	AS AT 31st March 2019
Not due	8,45,20,048	19,42,12,064
0-3 months	11,68,85,969	11,87,19,652
3-6 months	4,78,36,869	3,38,40,186
6-12 months	2,48,82,245	55,52,750
beyond 12 months	19,56,345	61,08,547
TOTAL	27,60,81,476	35,84,33,199
Expected Credit Loss	(3,65,817)	(20,37,078)

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired. The derivative contracts are entered into with scheduled banks which have good credit ratings.

B) Liquidity Risk

Liquidity Risk is the risk that a company could encounter if it faces difficulty in meeting the obligations associated with financial liabilities by delivering cash and other financial asset or the risk that the Company will face difficulty in raising financial resources required to fullfill its commitments. The Company's exposure to liquidity risk is very minimal as it has a prudent liquidity risk management process in place which ensures maintaining adequate cash and marketable securities to pay its liabilities when they are due. To ensure continuity of funding, the Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

Exposure to Liquidity Risk (Amount in ₹)

Foreign exchange forward contract	-	-	-	-		
TOTAL	36,38,39,053	91,61,842	-	37,30,00,895		

C) Market Risk

The Company operates internationally and a major portion of the business is transacted in several currencies. Consequently the company is exposed to foreign exchange risk through its sales and services in the US and elsewhere, and purchases from the overseas suppliers in various foreign currencies. The Company holds derivative financial instruments such as foreign exchange forward contract to mitigate the risk of changes in exchange rates on foreign currency exposure. The exchange rate between rupee and foreign currency has changed substantially in recent years and may fluctuate substantially in future. Consequently ,the results of the Company's operation are adversely affected as the rupee appreciates/ depreciates against these currencies.

AUD	11.34.72.969	11.62.52.366

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

Foreign Currency sensitivity

The sensitivity of profit or loss to changes in the exchange rate arises mainly from foreign currency denominated financial instruments. The sensitivity to variations in respect of major currencies is given below. This analysis assumes that all other variables remain constant.

Particulars	AS AT 31st March 2020	AS AT 31st March 2019
USD - Increase by 5%	57,77,404	53,46,273
USD - Decrease by 5%	(57,77,404)	(53,46,273)
EURO - Increase by 5%	(33,414)	3,79,142
EURO - Decrease by 5%	33,414	(3,79,142)
GBP - Increase by 5%	98,80,103	78,65,272
GBP - Decrease by 5%	(98,80,103)	(78,65,272)
AUD - Increase by 5%	56,73,648	58,12,618
AUD - Decrease by 5%	(56,73,648)	(58,12,618)

The Company, in accordance with its risk management policies and procedures, enters into foreign currency forward contracts to manage its exposure in foreign exchange rate variations. The counter party is generally a bank. These contracts are for a period between one day and one year. The above sensitivity does not include the impact of foreign currency forward contracts which largely mitigate the risk.

Forward Foreign Exchange Contracts

The Company has entered into short term Forward Exchange Contracts, being derivative instruments for hedge purposes and not intended for trading or speculation purposes, to establish the amount of currency in Indian Rupees required or available at the settlement date of certain receivables. For the fair Value (Marked to Market) of foreign currency derivative contracts outstanding refer to Note No 22 & 13.

D) Interest Rate Risk

Interest Rate risk can be the cash flow interest rate risk. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing instruments will fluctuate because of fluctuations in market interest rates.

41 Employees Benefit

a) Defined Contribution Plan

Contribution to Defined Contribution Plan, recognised are charged off for the year are as under:

Amount in ₹

Particulars	Year ended 31st March 2020	Year ended 31st March 2019
Employer's Contribution to Provident fund	1,00,17,395	85,76,771
Employer's Contribution to Superannuation/NIC at foreign	68,19,320	73,53,881
branches		

b) Defined Benefit Plan

The present value of the defined benefit obligations and related current service cost were measured using the Projected unit credit method, with actuarial valuation being carried out at each Balance Sheet date.

Investment Risk: The Present Value of the defined benefit plan liability is calculated using a discount rate determined by reference to government bond yields. If the return on plan asset is below this rate, it will create a plan deficit.

Interest Risk: A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity Risk: This risk effects Past Retirement Benefit plans, especially Pension and medical benefits. This Plan pays the benefit on Retirement, if not paid earlier, on account of resignation or death and hence the Longevity risk will not materially effect this Plan.

Salary Risk: The Gratuity benefit, being based on last drawn salary, will be critically effected in case of increase in future salaries being more than assumed.

World Health Organisation (WHO) declared outbreak of Coronavirus Disease (COVID-19) a global pandemic on March 11, 2020 Consequent to this, Government of India declared lockdown on March 23, 2020 and the company temporarily suspended the operations of the Company in compliance with the lockdown instructions issued by the Central and State Governments. COVID-19 has impacted the normal business operations of the Company by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lockdown of production facilities etc. during the lock down period.

However, The company has started it's normal operations after obtaining permissions from the appropriate government authorities. The Company has made detailed assessment of its liquidity position for the next year and the recoverability and carrying value of its assets comprising property, plant and equipment, intangible assets, inventory, trade receivables, Current and Non-Current Assets. Based on current indicators of future economic conditions, the company expects to recover the carrying amount of these assets. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID-19 which may be different from that estimated as at the date of approval of these financial results. The Company will continue to closely monitor any material changes arising of future economic conditions and impact on its business.

- The Company's operations predominantly comprises of only one segment- Pumps & Spares, therefore operationally segment reporting does not apply.
- The Board of Directors of the company at its meeting held on 10th February 2020 had approved payment of dividend at rate Rs.0.30 per equity shares on 15453805 equity Shares of Par value Rs. 2/- each.The same has been paid on 5th March ,2020 to the equity shareholders of the company.Further the meeting held on 27th June 2020 the Board of Directors considered the difficult situation emerged due to COVID19 pandemic, and has recommended not to pay further dividend for the financial year ended 31st March, 2020.
- 52 Previous Year's figures have been re-grouped/re-arranged wherever necessary to render them comparable with the current year's figures.
- 53 Figures have been rounded off to the nearest rupee.

As per our report of even date.

INDEPENDENT AUDITOR'S REPORT

To the Members of Roto Pumps Limited

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the consolidated Balance sheet AS AT March 31 2020, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in 2020 Equity for the year then ended, and notes to the consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, AS AT March 31, 2020, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Emphasis of Matter

We draw attention to Note 44 to the consolidated financial statements, which describes the uncertainties arising due to COVID-19 pandemic on the Company's operations and estimates as assessed by the management. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no other key audit matters to communicate in our report.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial

statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the
 consolidated Ind AS financial statements, whether due to
 fraud or error, design and perform audit procedures
 responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion.
 The risk of not detecting a material misstatement resulting
 from fraud is higher than for one resulting from error, as
 fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit

evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements and other financial information, in respect of three subsidiaries, whose Ind AS financial statements include total assets of Amount in ₹ 2,013.23 lakhs AS AT March 31, 2020, and total revenues of Amount in ₹ 2,214.18 lakhs and net cash outflows of Amount in ₹ 19.57 lakhs for the year ended on that date. These Ind AS financial statement and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of such other auditors.

Our opinion above on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, [based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- (a) We and the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors:
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements:
- (d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2020 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed

under Section 139 of the Act, of its subsidiary companies, none of the directors of the Group's companies, incorporated in India is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act. Further this clause does not apply to the other subsidiary being a Limited Liability Partnership.

- (f) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements of the Holding Company and its subsidiary company, refer to our separate Report in "Annexure A" to this report;
- (g) In our opinion the managerial remuneration for the year ended March 31, 2020
- (h) has been paid / provided by the Holding Company to their directors in accordance with the provisions of section 197 read with Schedule V to the Act. Further this clause does not apply to the two subsidiaries of the company;
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, as noted in the 'Other matter' paragraph:
 - The consolidated Ind AS financial statements disclose the impact of pending litigations on its consolidated financial position of the Group, in its consolidated Ind AS financial statements – Refer Note No. 35.1 to the consolidated Ind AS financial statements;
 - ii. The Group did not have any material foreseeable losses in long-term contracts including derivative contracts during the year ended March 31, 2020;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiaries, incorporated in India during the year ended March 31, 2020.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31 March 2020, we have audited the internal financial controls over financial reporting of ROTO PUMPS LIMITED ("the Holding Company") its subsidiaries companies which are companies incorporated outside India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated outside India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated outside India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively AS AT 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

Company Overview

Roto Pumps Limited referred to as "RPL" or "the Company" was incorporated on 31st July 1975. RPL is an enterprise listed on the BSE Ltd. The company is engaged in manufacturing of screw pumps and parts of pumps. The Company's products include progressive cavity pumps (PCP), twin screw pumps (TSP) and retrofit parts. The Company's products serve a cross section of industries including infrastructure, oil and gas, power, mining, paper and pulp which form critical part of the economy.

1. Significant Accounting Policies

1.1 Basis of Preparation and Presentation

The Consolidated Financial Statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities (including derivative instruments),
- ii. Defined Benefit Plan's Plan Assets and
- iii. Equity settled Share Based Payments

The Consolidated Financial Statements of the Group have been prepared to comply with the Indian Accounting Standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

The Consolidated Financial Statements comprises of Roto Pumps Limited and all its subsidiaries, being the entities that it controls. Controls are assessed in accordance with the requirement of Ind AS 110 - Consolidated Financial Statements.

1.2 Principles of Consolidation

- (a) The financial statements of the Holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- (b) Profits or losses resulting from intra-group transactions that are recognized in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.
- (c) In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognized in the Foreign Currency Monetary translation difference account.
- (d) Goodwill represents the difference between the Company's share in the net worth of subsidiaries and

the cost of acquisition at each point of time of making the investment in the subsidiaries.

- (e) The audited / unaudited financial statements of foreign subsidiaries / joint ventures / associates have been prepared in accordance with the Generally Accepted Accounting Principle of its Country of Incorporation or Ind AS.
- (f) The differences in accounting policies of the Holding Company and its subsidiaries / associates are not material.
- (g) The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
- (h) The carrying amount of the parent's investment in each subsidiary is offset(eliminated) against the parent's portion of equity in each subsidiary.
- (i) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognized in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.
- (j) Investment in Associates and Joint Ventures has been accounted under the Equity Method as per Ind AS 28

 Investments in Associates and Joint Ventures.
 Investments in joint operations are accounted using the Proportionate Consolidation Method as per Ind AS 111 Joint Arrangements.
- (k) The Group accounts for its share of post-acquisition changes in net assets of associates and joint ventures, after eliminating unrealized profits and losses resulting from transactions between the Group and its associates and joint ventures.
- (I) Non-Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Company.
- (m) Non-Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet.

1.3 Other significant accounting policies

These are set out under "Significant Accounting Policies" as given in the Company's separate financial statements

FVTPL :- Fair Value through Profit & Loss A/c.

FVTOCI :- Fair Value through Other Comprehensive Income

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with those used for the year ended 31st March, 2019.

The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

required to fair value an instrument are observable, the instrument is included in level 2. In the case of Derivative contracts, the Company has valued the same using the forward exchange rate AS AT the reporting date.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

B) Calculation of fair values:

- i. Financial assets and liabilities measured at fair value AS AT Balance Sheet date:
 - The fair values of the derivative financial instruments has been determined using valuation techniques with market observable inputs. The models incorporate various inputs including the credit quality of counter-parties and foreign exchange forward rates.
- ii. Other financial assets and liabilities:-
 - -Cash and cash equivalents , trade receivables, other financial assets (except derivative financial instruments), trade payables, and other financial liabilities (except derivative financial instruments) have fair values that approximate to their carrying amounts due to their short-term nature.
 - -Loans have fair values that approximate to their carrying amounts as it is based on the net present value of the anticipated future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.

39 Financial Risk Management

Risk Management framework and policies

The Company does not have material financial risk in respect to business activities of Subsidiary Companies which effects the consolidated financial statements , thus financial risk of holding company are disclosed in standalone financial statements. (Refer to Note No 39 of Standalone Financial Statements).

at foreign branches		

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

Defined Benefit Plan				
The present value of the defined benefit obligations and related current service cost were measured using the Projected unit credit				
method, with	actuarial valuation being carried out at each Balance Sheet date.			
Investment	The Present Value of the defined benefit plan liability is calculated using a discount rate determined by reference to			
Risk	government bond yields. If the return on plan asset is below this rate, it will create a plan deficit.			
Interest	A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an			
Risk	increase in the return on the plan's debt investments.			
Longevity	This risk effects Past Retirement Benefit plans, especially Pension and medical benefits. This Plan pays the benefit on			
Risk	Retirement, if not paid earlier, on account of resignation or death and hence the Longevity risk will not materially			
	effect this Plan.			
Salary Risk	The Gratuity benefit, being based on last drawn salary, will be critically effected in case of increase in future salaries			
	being more than assumed.

- World Health Organisation (WHO) declared outbreak of Coronavirus Disease (COVID-19) a global pandemic on March 11, 2020 .Consequent to this, Government of India declared lockdown on March 23, 2020 and the company temporarily suspended the operations of the Company in compliance with the lockdown instructions issued by the Central and State Governments. COVID-19 has impacted the normal business operations of the Company by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lockdown of production facilities etc. during the lock down period. However, The company has started it's normal operations after obtaining permissions from the appropriate government authorities. The Company has made detailed assessment of its liquidity position for the next year and the recoverability and carrying value of its assets comprising property, plant and equipment, intangible assets, inventory, trade receivables, Current and Non-Current Assets. Based on current indicators of future economic conditions, the company expects to recover the carrying amount of these assets. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID-19 which may be different from that estimated AS AT the date of approval of these financial results. The Company will continue to closely monitor any material changes arising of future economic conditions and impact on its business.
- 45 The Company's operations predominantly comprises of only one segment- Pumps & Spares, therefore operationally segment reporting does not apply.
- The Board of Directors of the company at its meeting held on 10th February 2020 had approved payment of dividend at rate Rs.0.30 per equity shares on 15453805 equity Shares of Par value Rs. 2/- each.
